

# Helix length trace for MITF, compound 8, orientation 1, no DNA

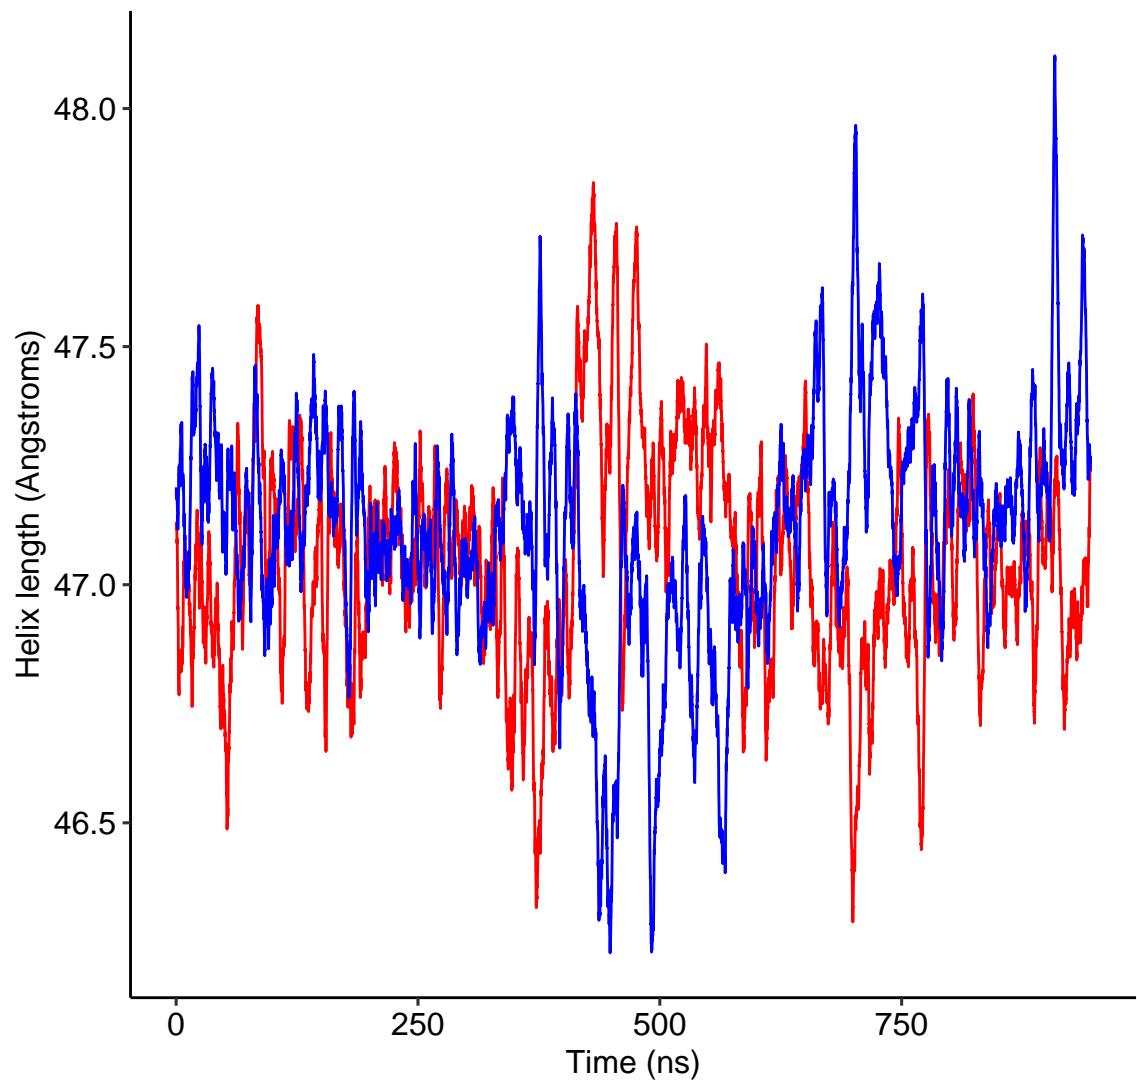

# Helix length trace for MITF, compound 8, orientation 1, no DNA

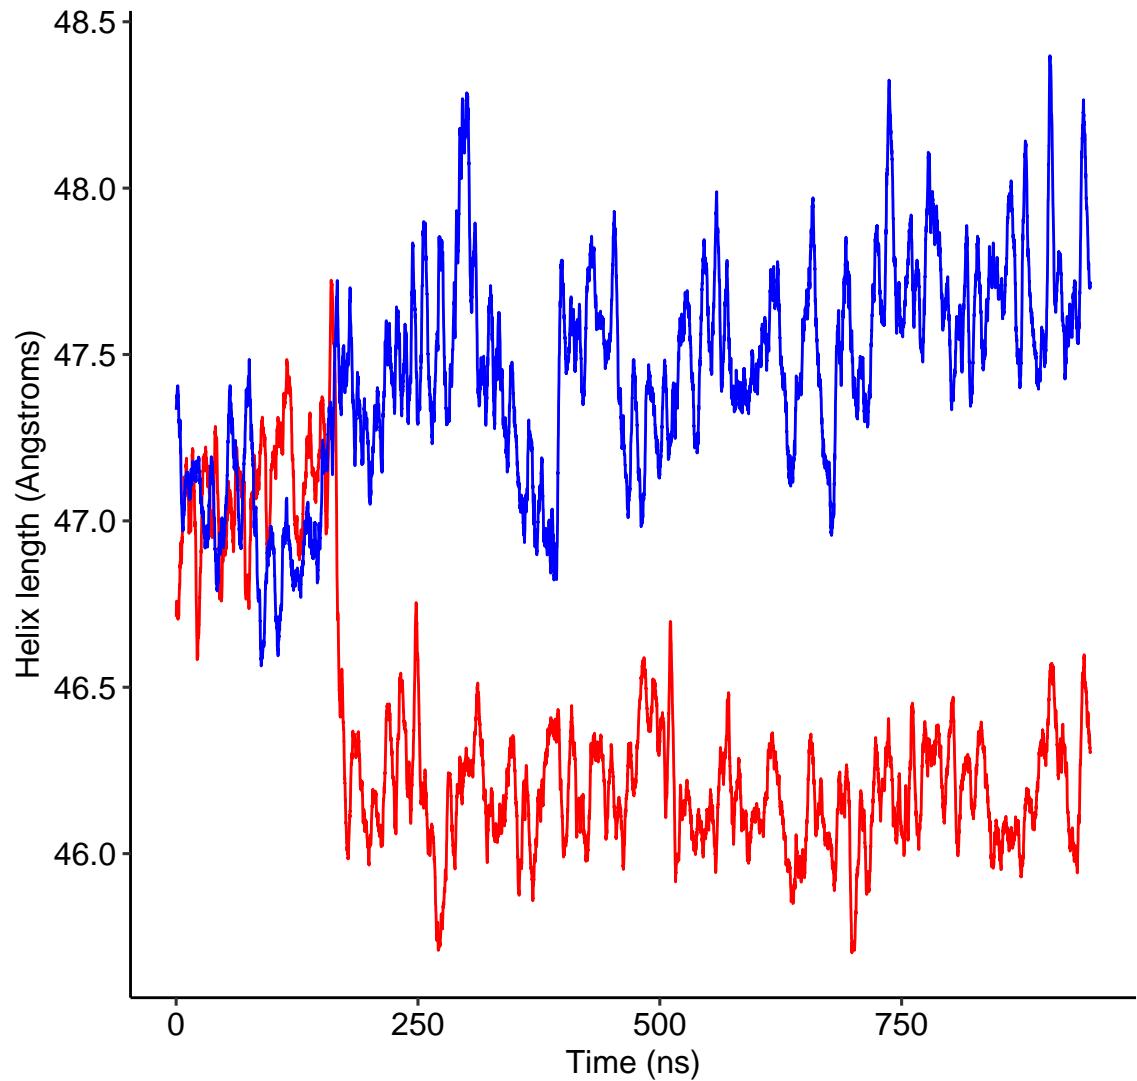

# Helix length trace for MITF, compound 8, orientation 1, no DNA

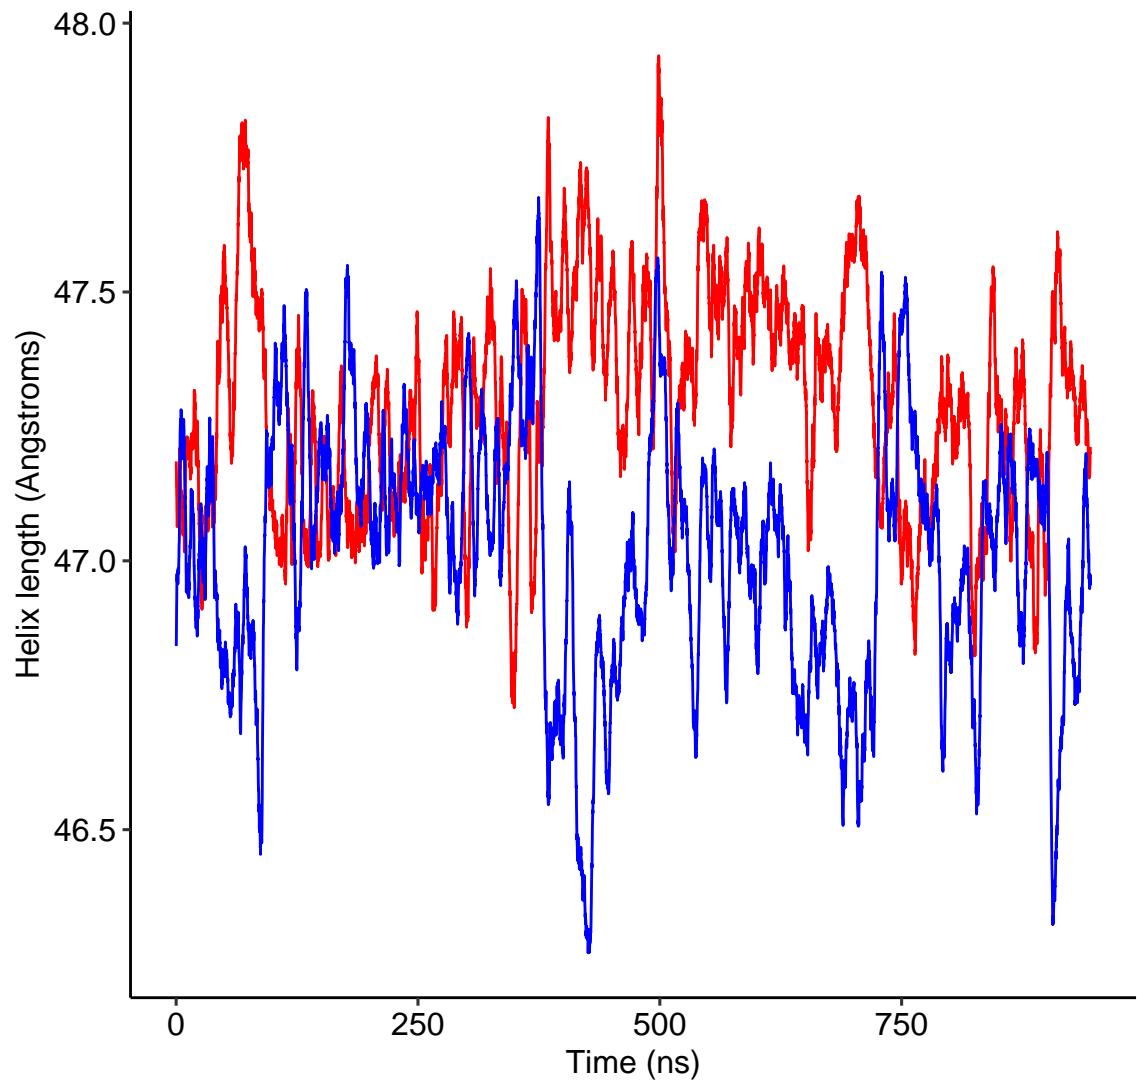

# Helix length trace for MITF, compound 8, orientation 1, no DNA

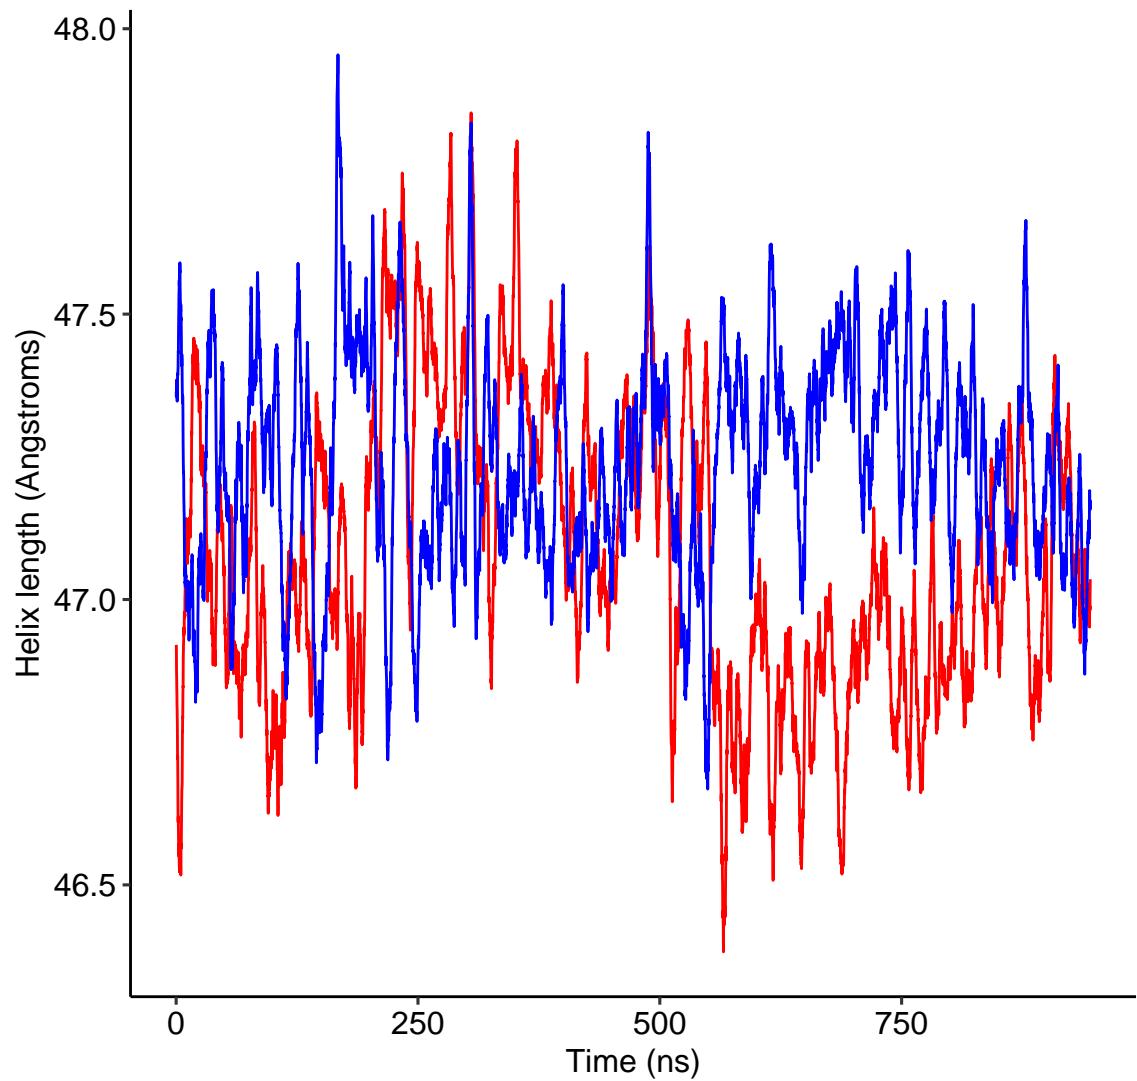

# Helix length trace for MITF, compound 8, orientation 1, no DNA

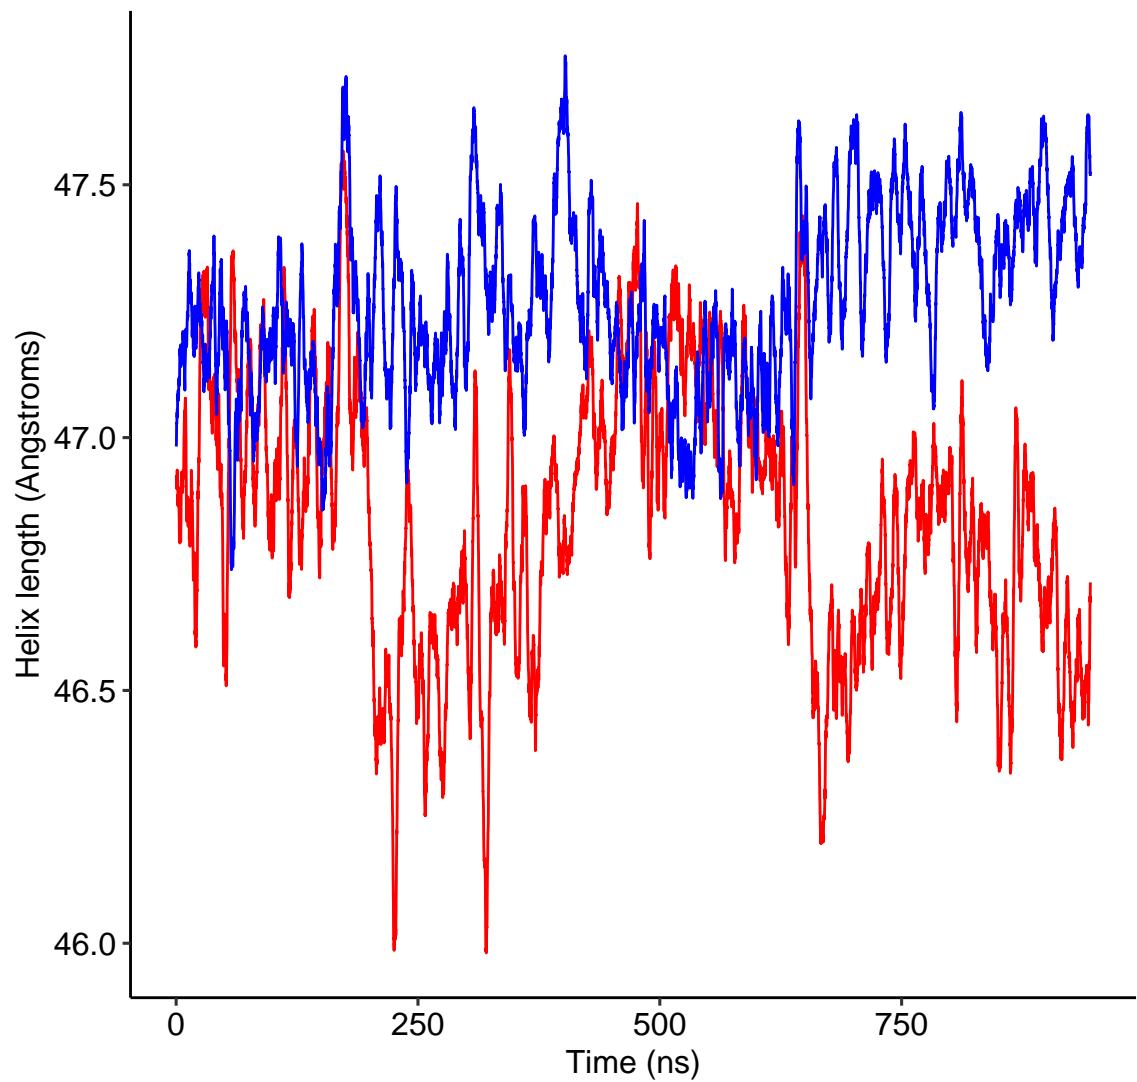

# Helix length trace for MITF, compound 8, orientation 1, with D

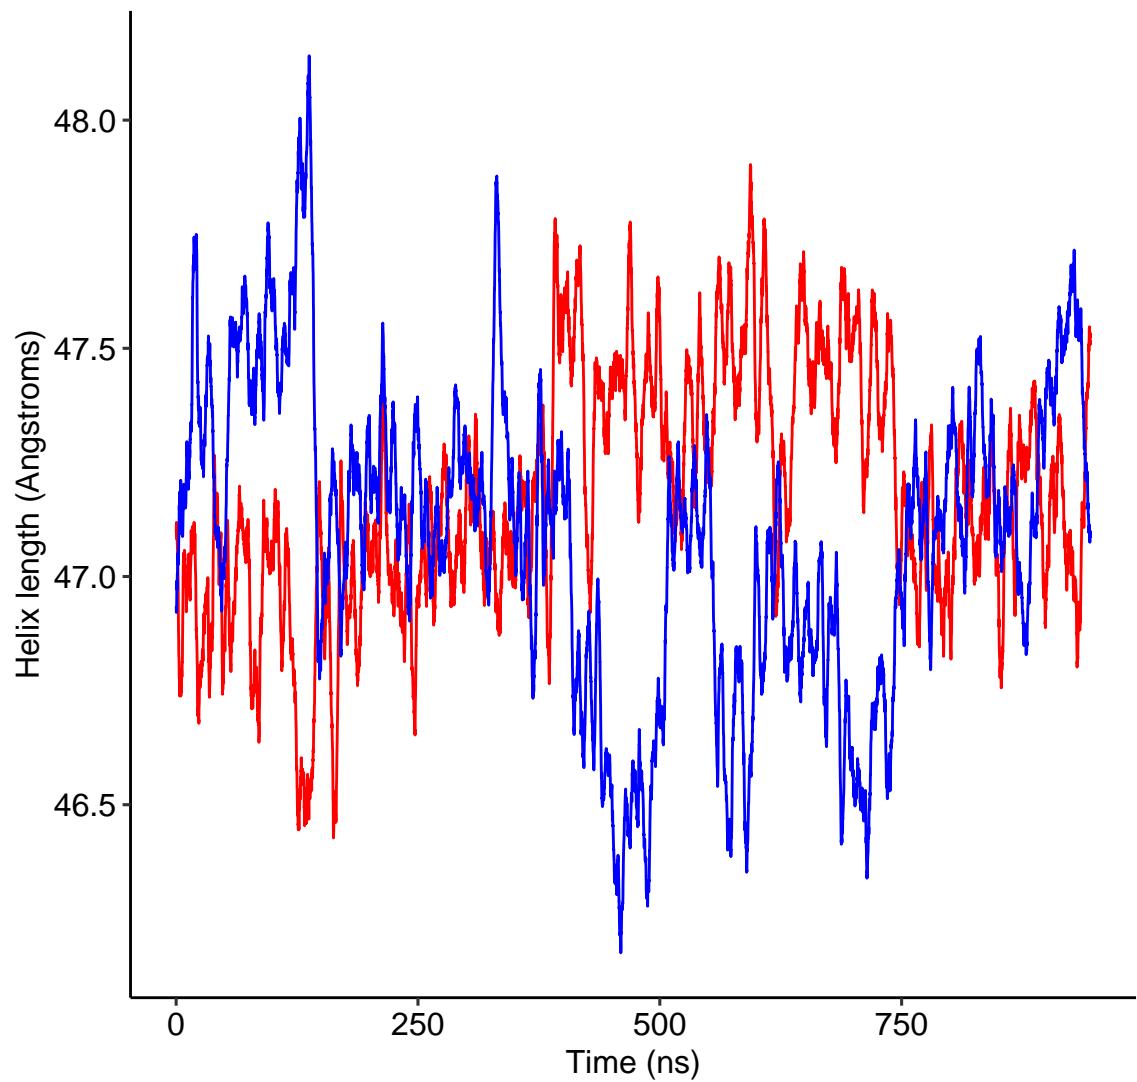

# Helix length trace for MITF, compound 8, orientation 1, with D

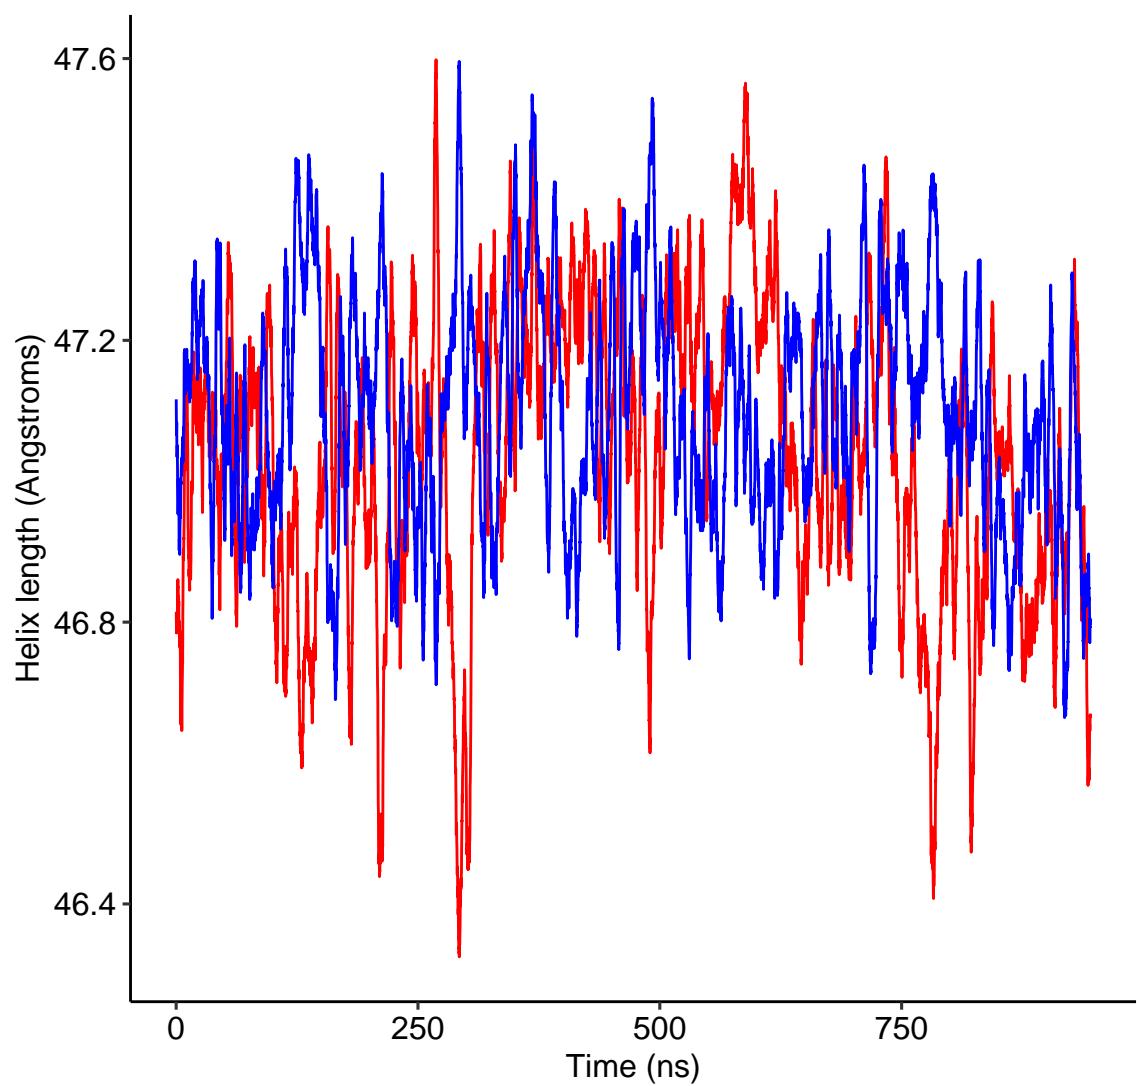

# Helix length trace for MITF, compound 8, orientation 1, with D

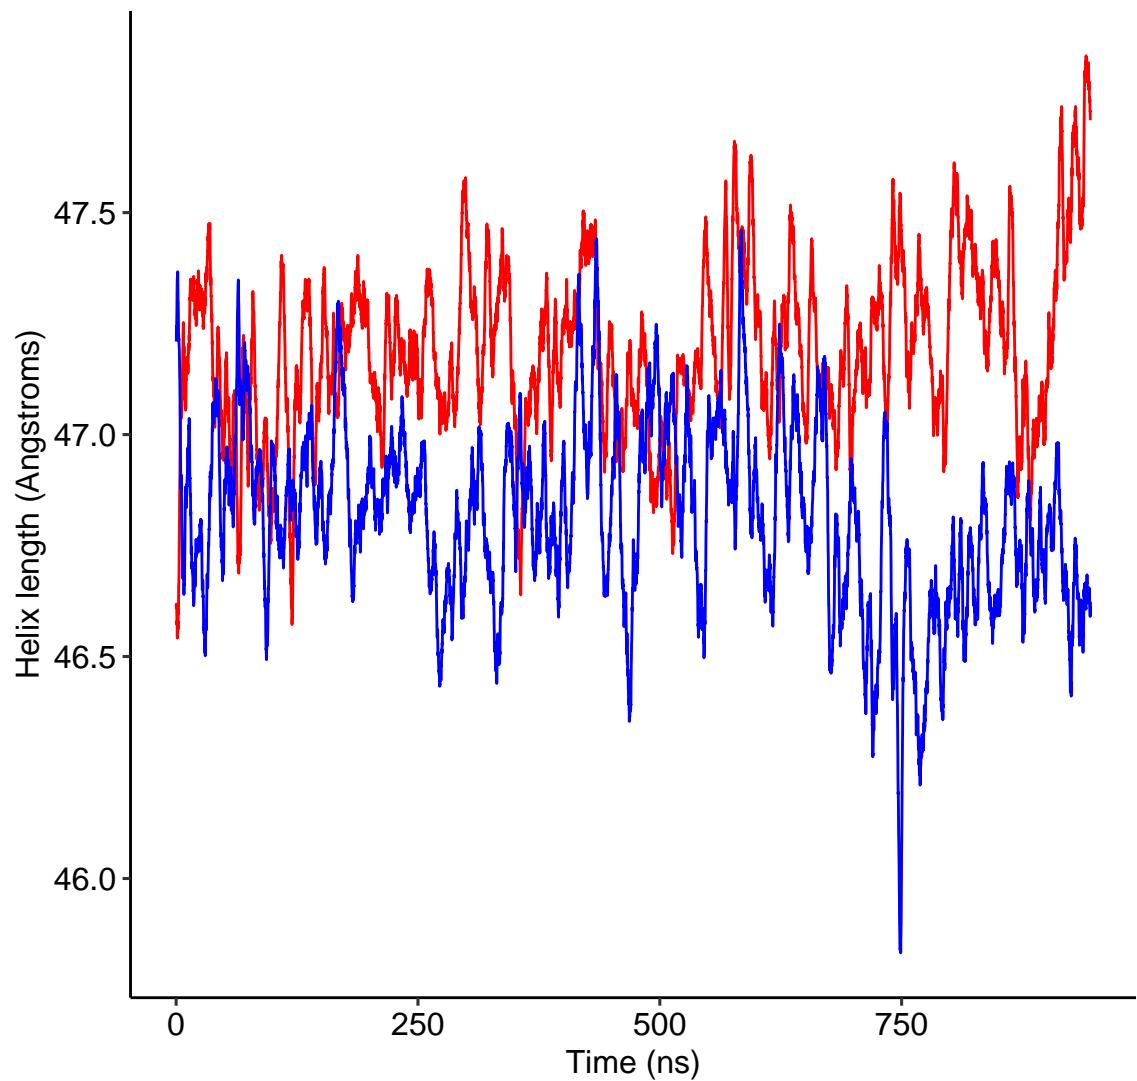

# Helix length trace for MITF, compound 8, orientation 1, with D

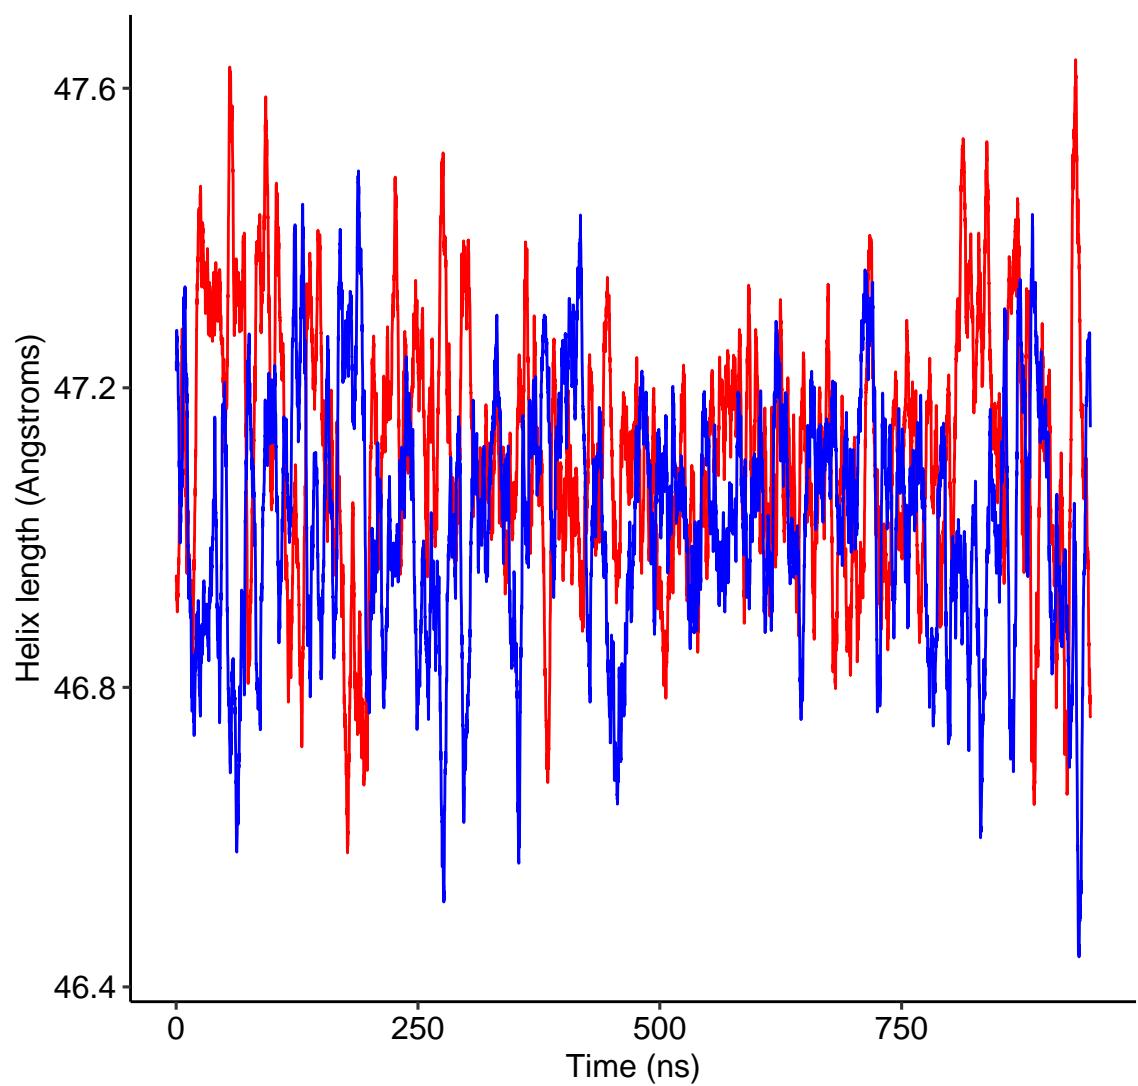

# Helix length trace for MITF, compound 8, orientation 1, with D

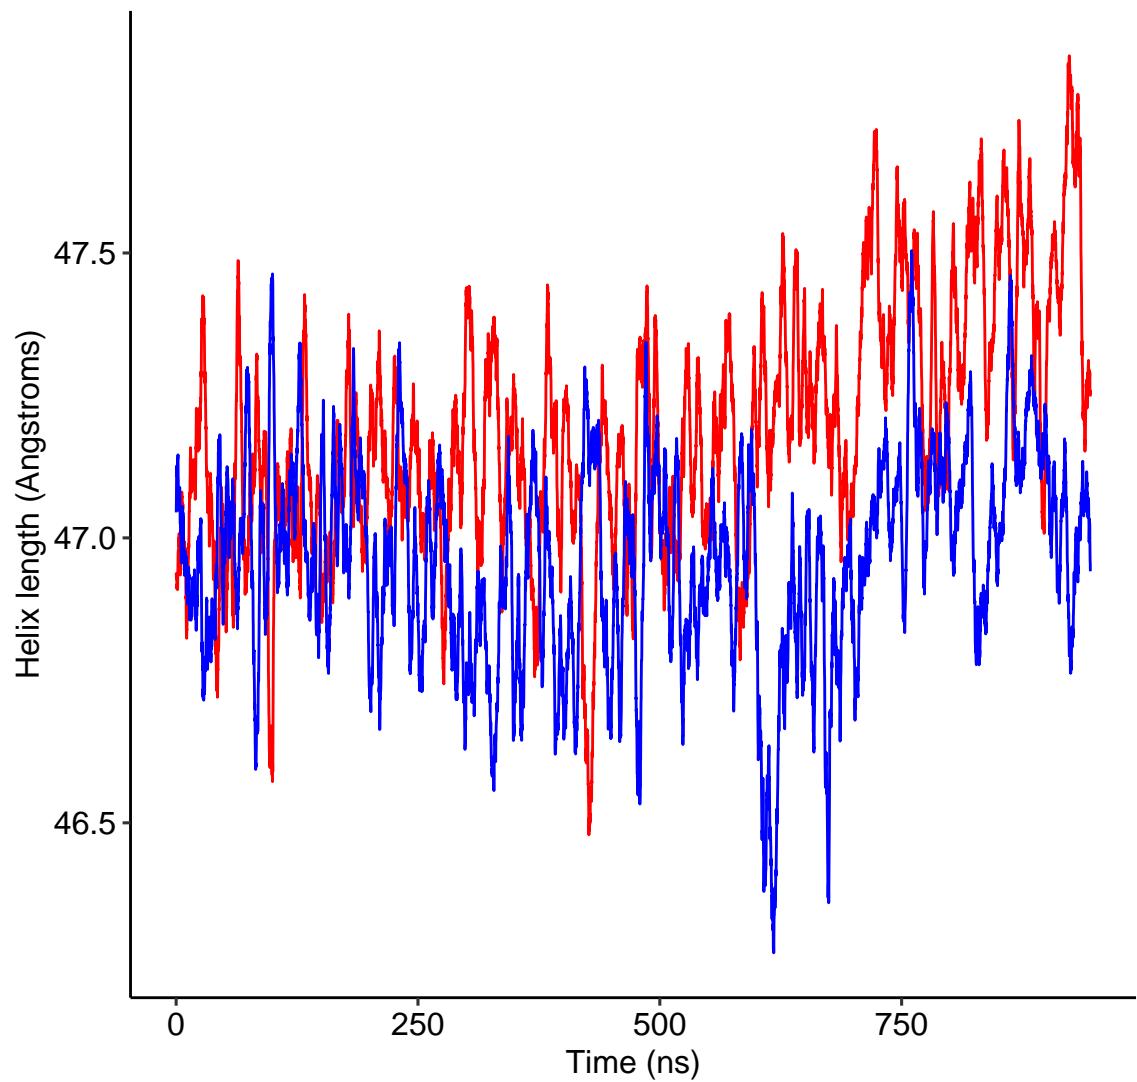

# Helix length trace for MITF, compound 8, orientation 2, no DNA

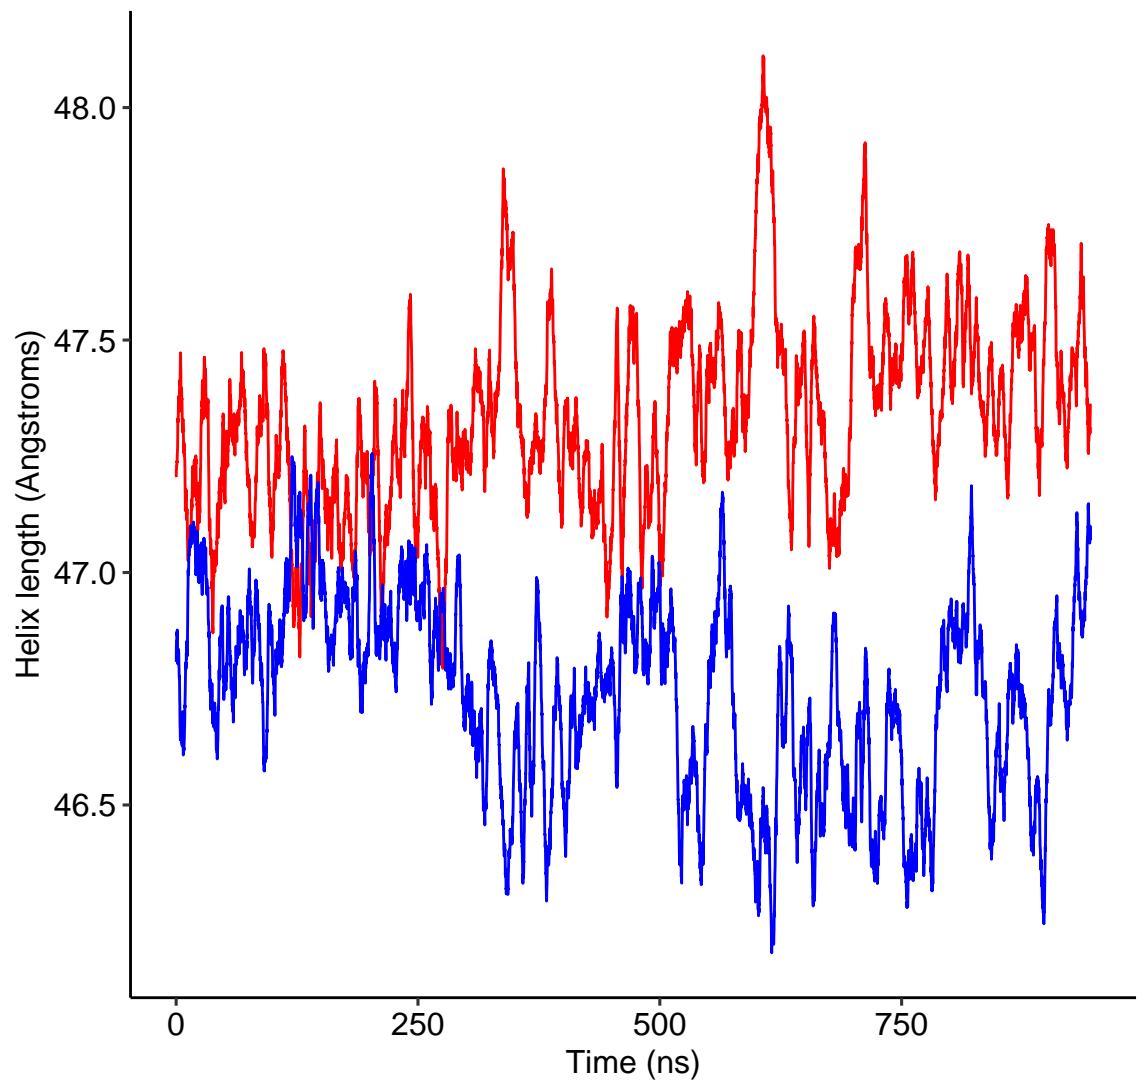

# Helix length trace for MITF, compound 8, orientation 2, no DNA

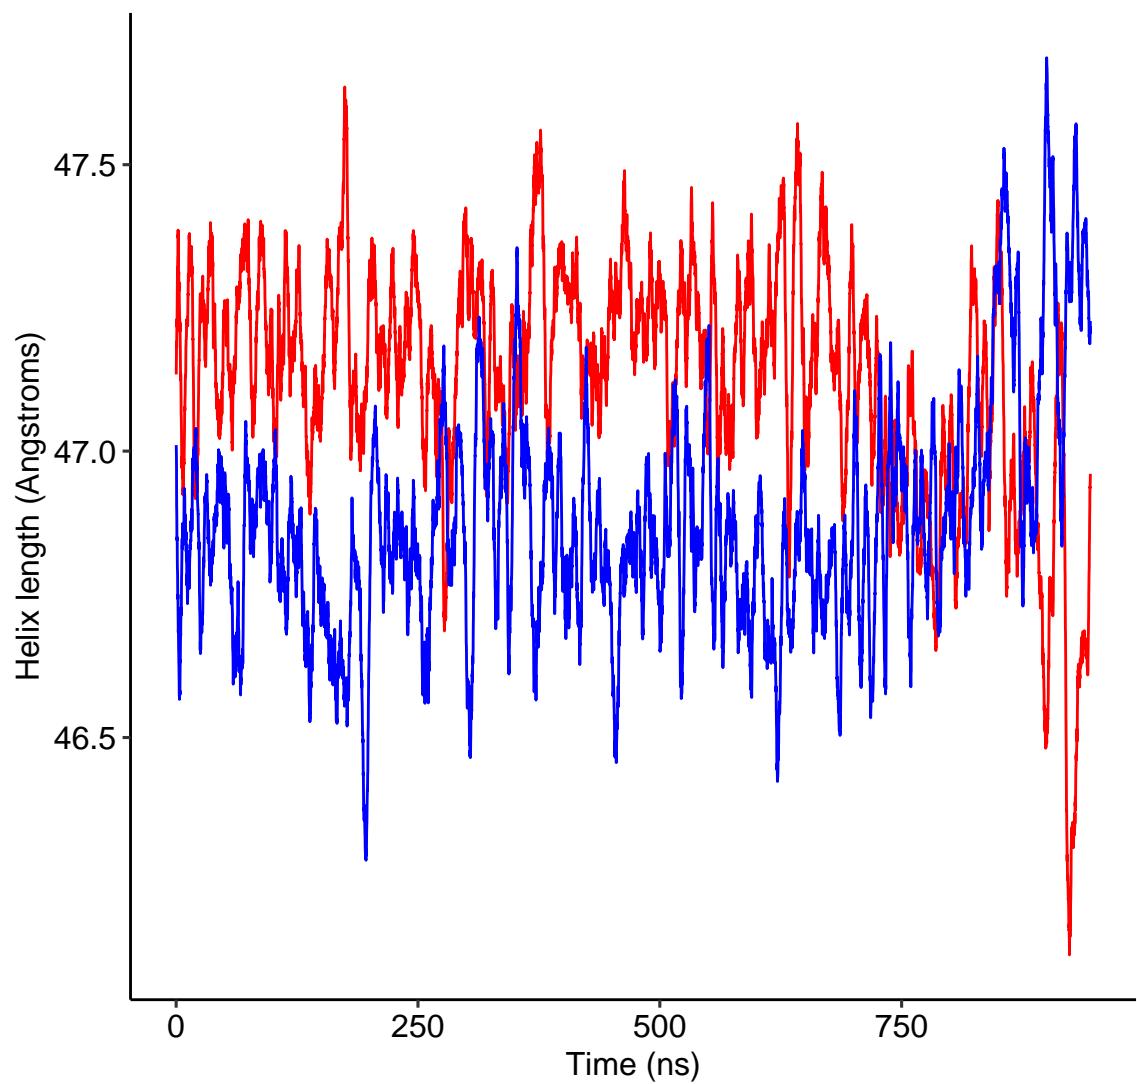

# Helix length trace for MITF, compound 8, orientation 2, no DNA

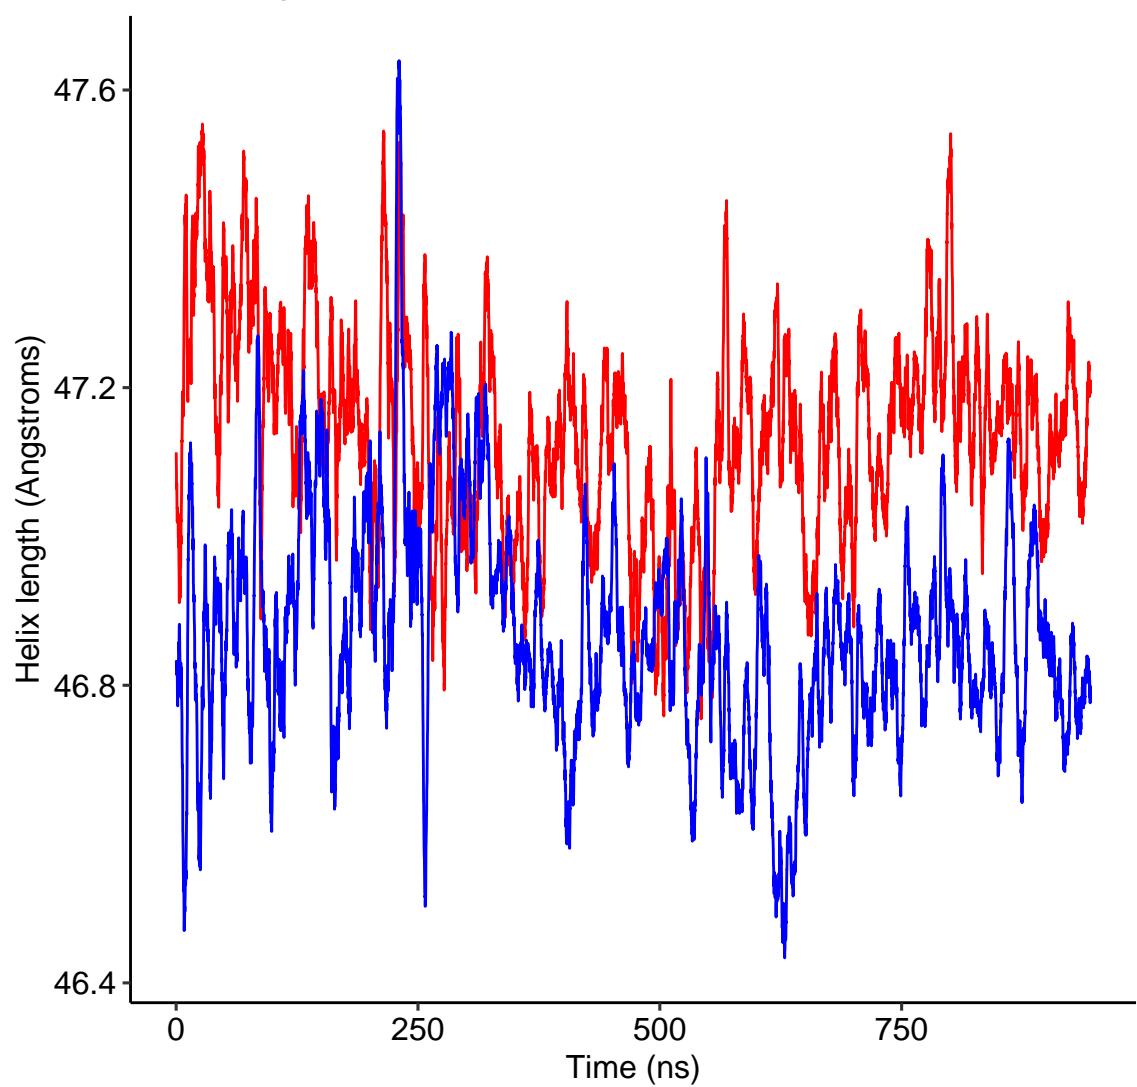

# Helix length trace for MITF, compound 8, orientation 2, no DNA

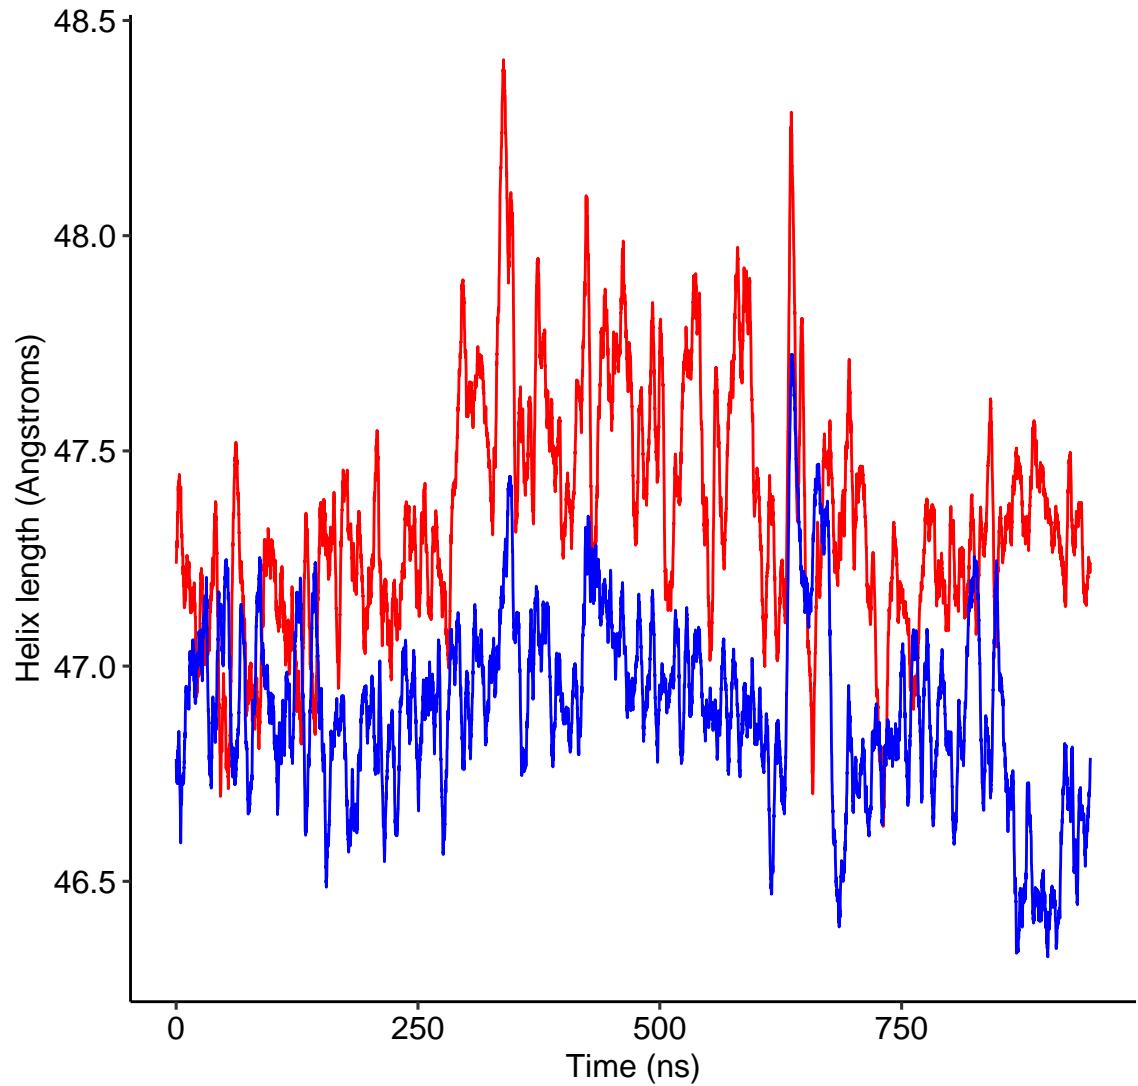

# Helix length trace for MITF, compound 8, orientation 2, no DNA

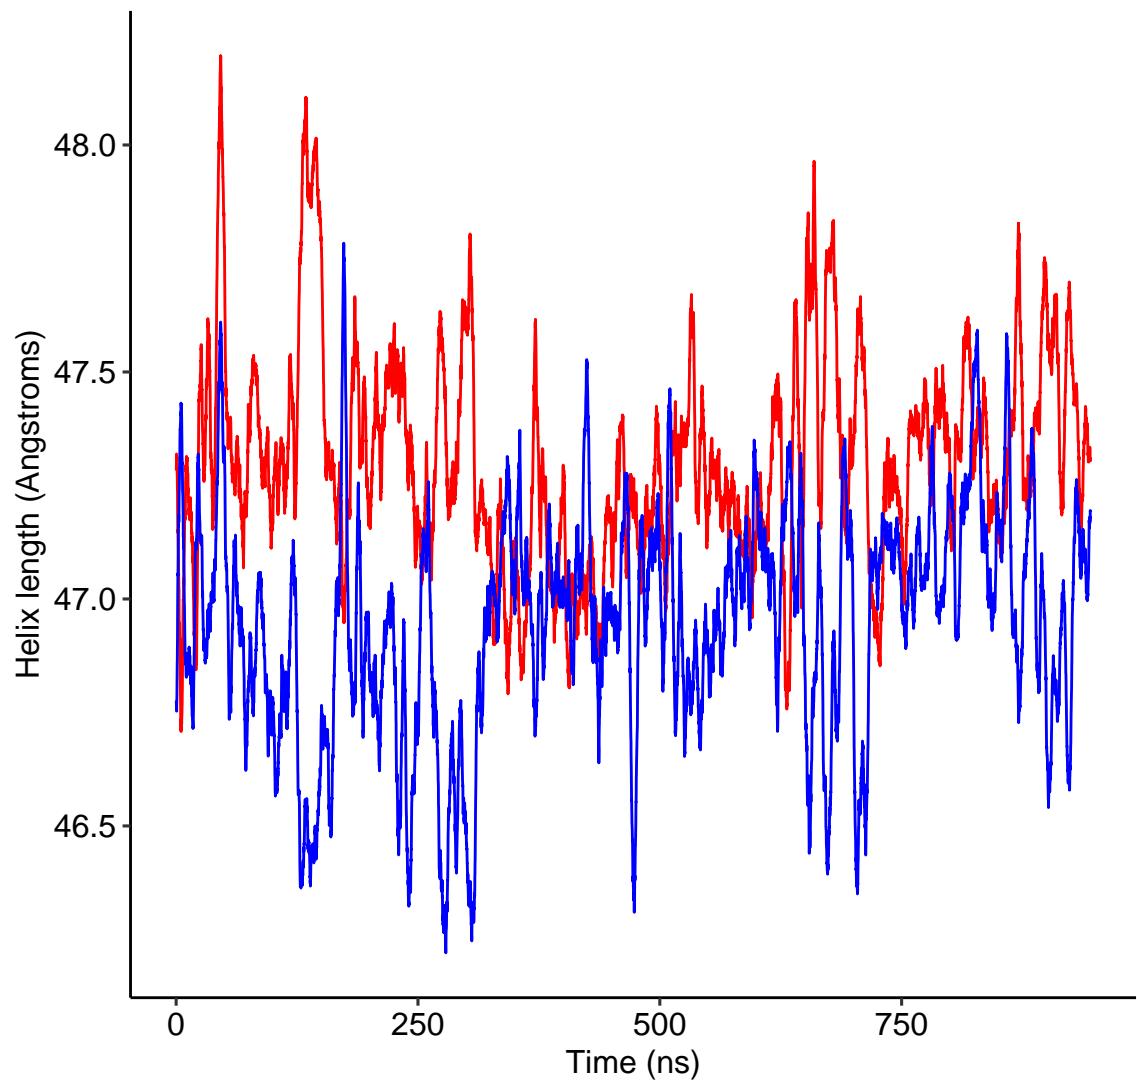

# Helix length trace for MITF, compound 8, orientation 2, with D

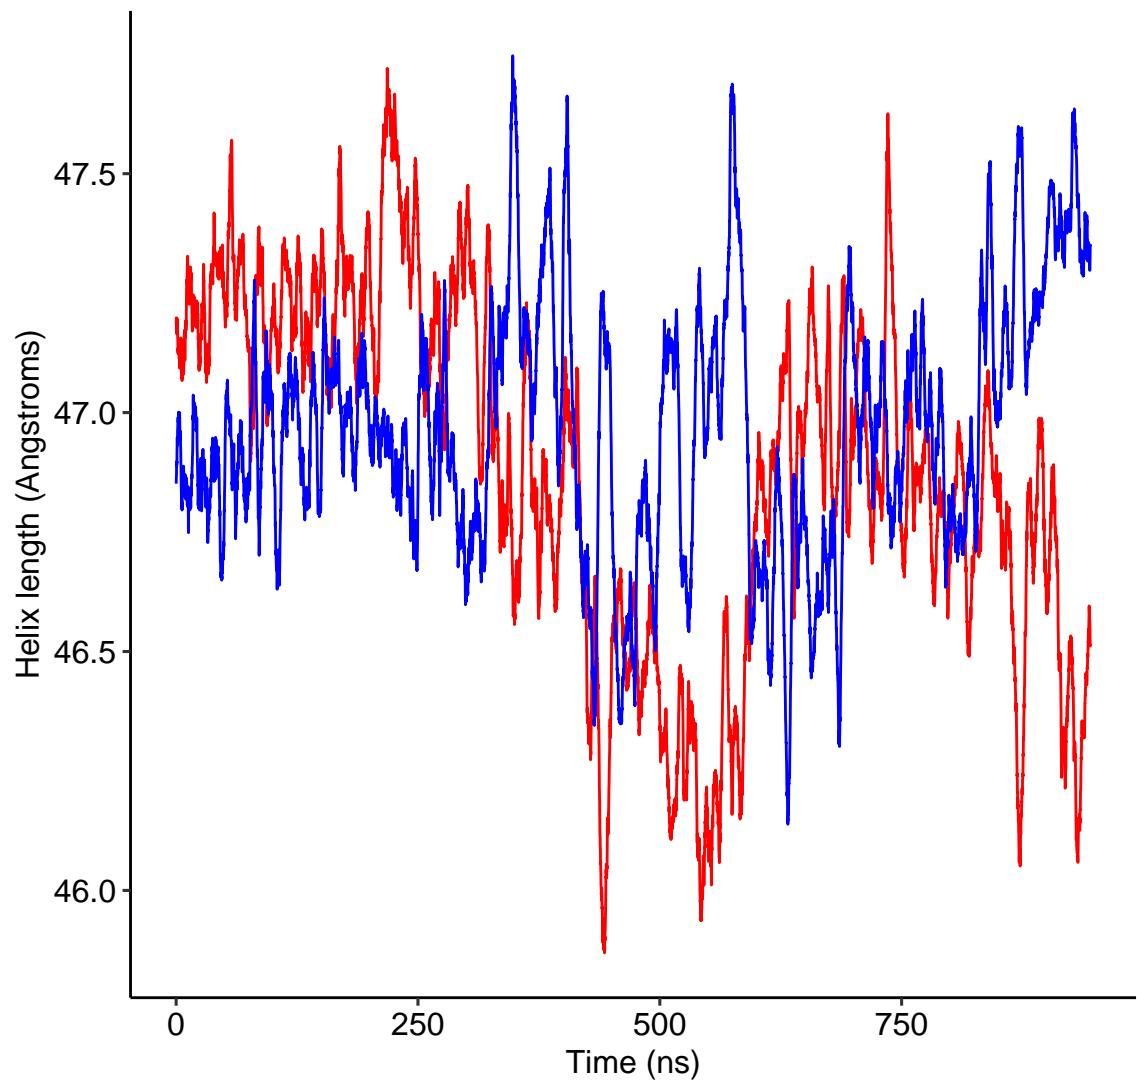

# Helix length trace for MITF, compound 8, orientation 2, with D

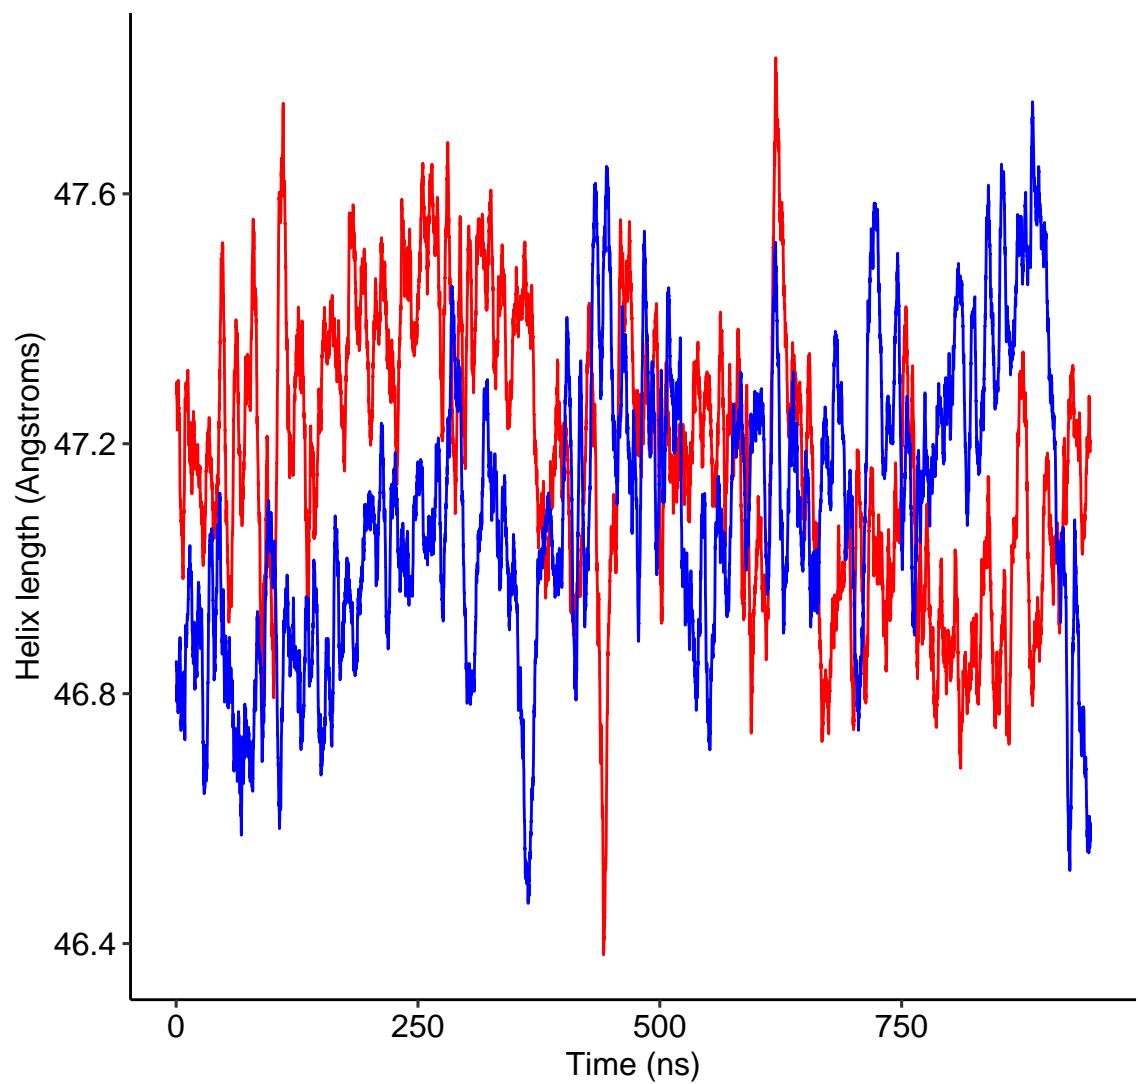

# Helix length trace for MITF, compound 8, orientation 2, with D

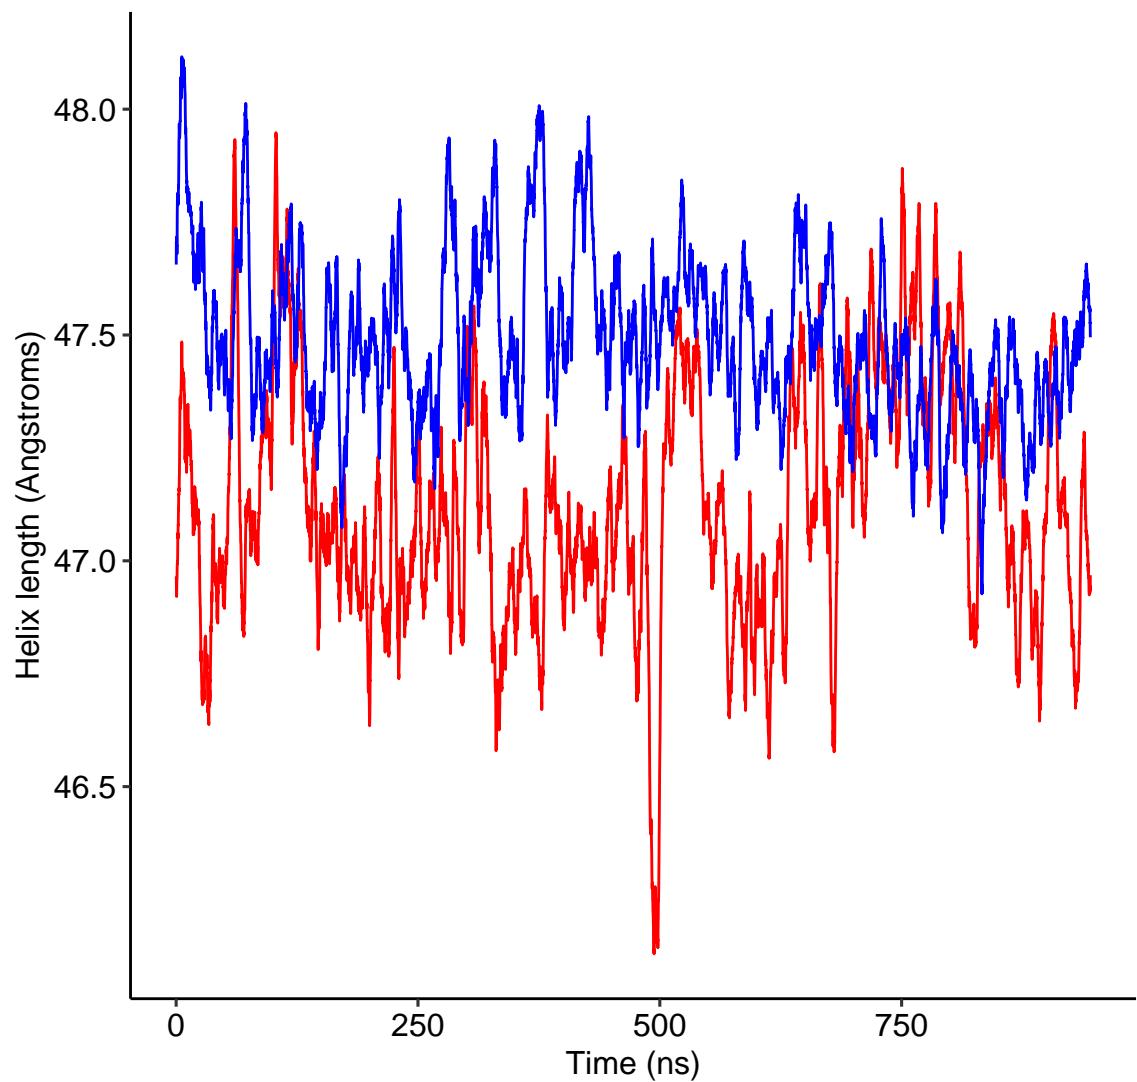

# Helix length trace for MITF, compound 8, orientation 2, with D

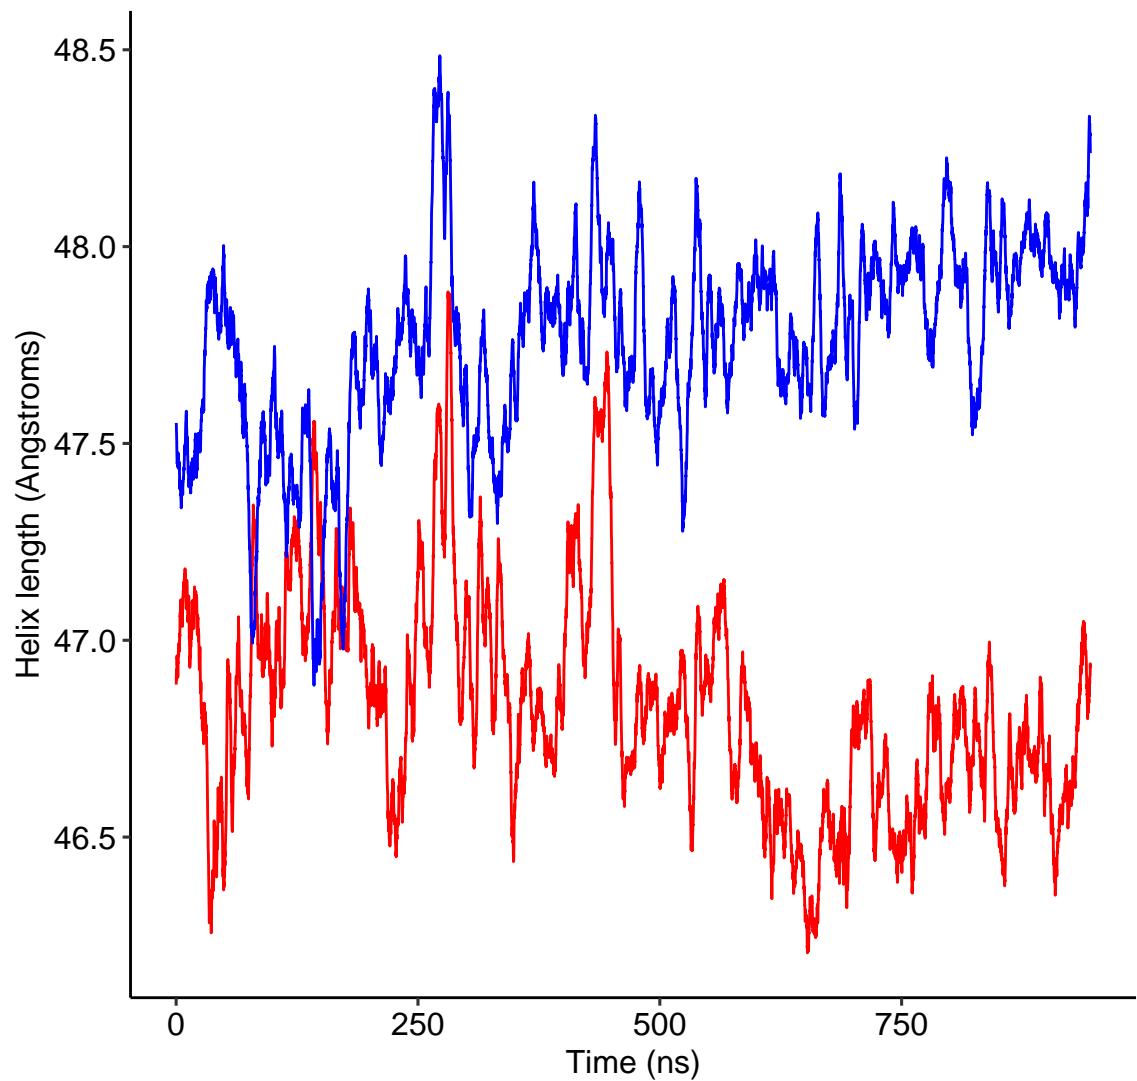

# Helix length trace for MITF, compound 8, orientation 2, with D

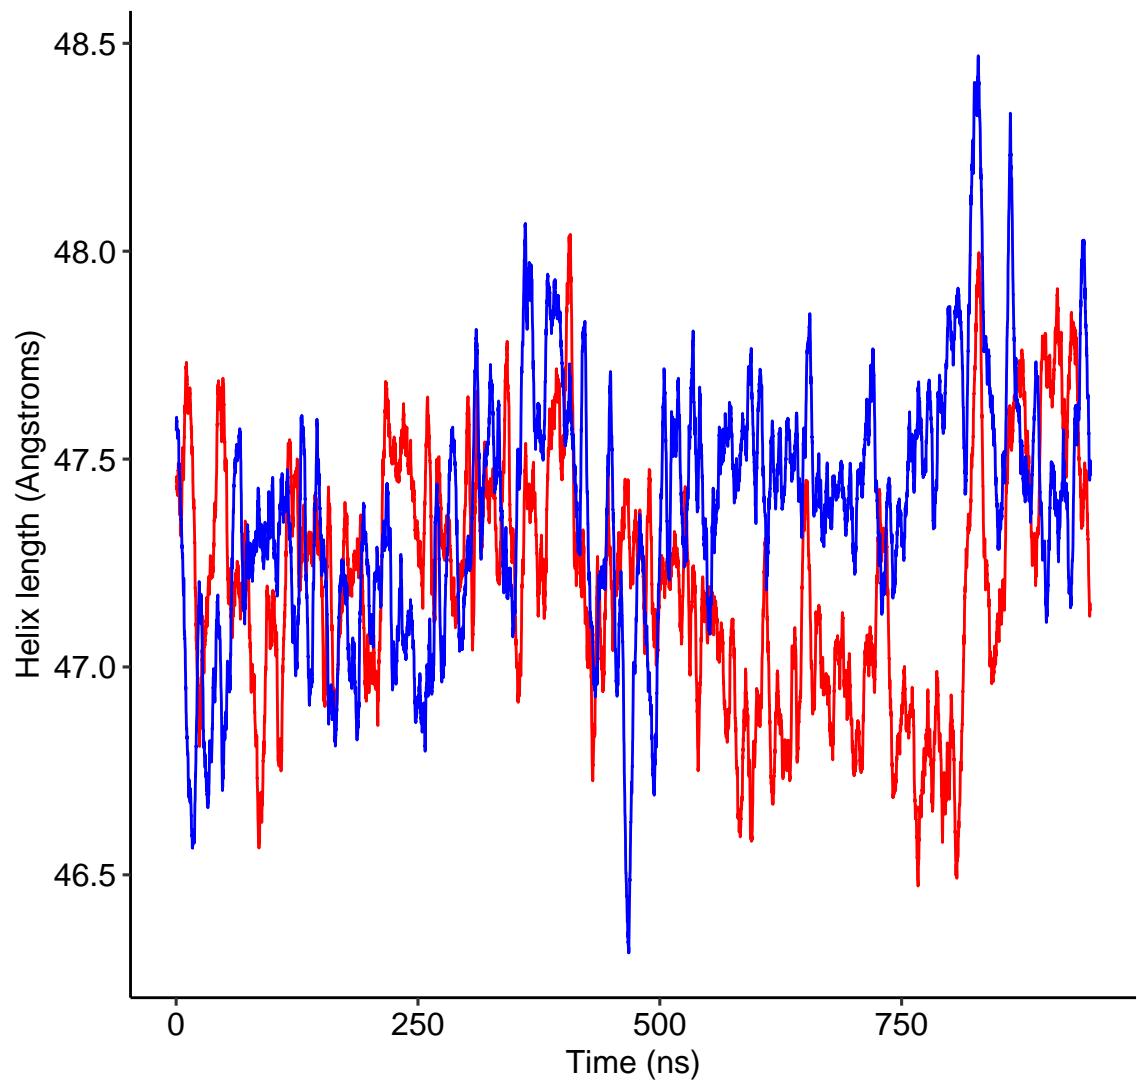

# Helix length trace for MITF, compound 7, orientation 1, no DNA

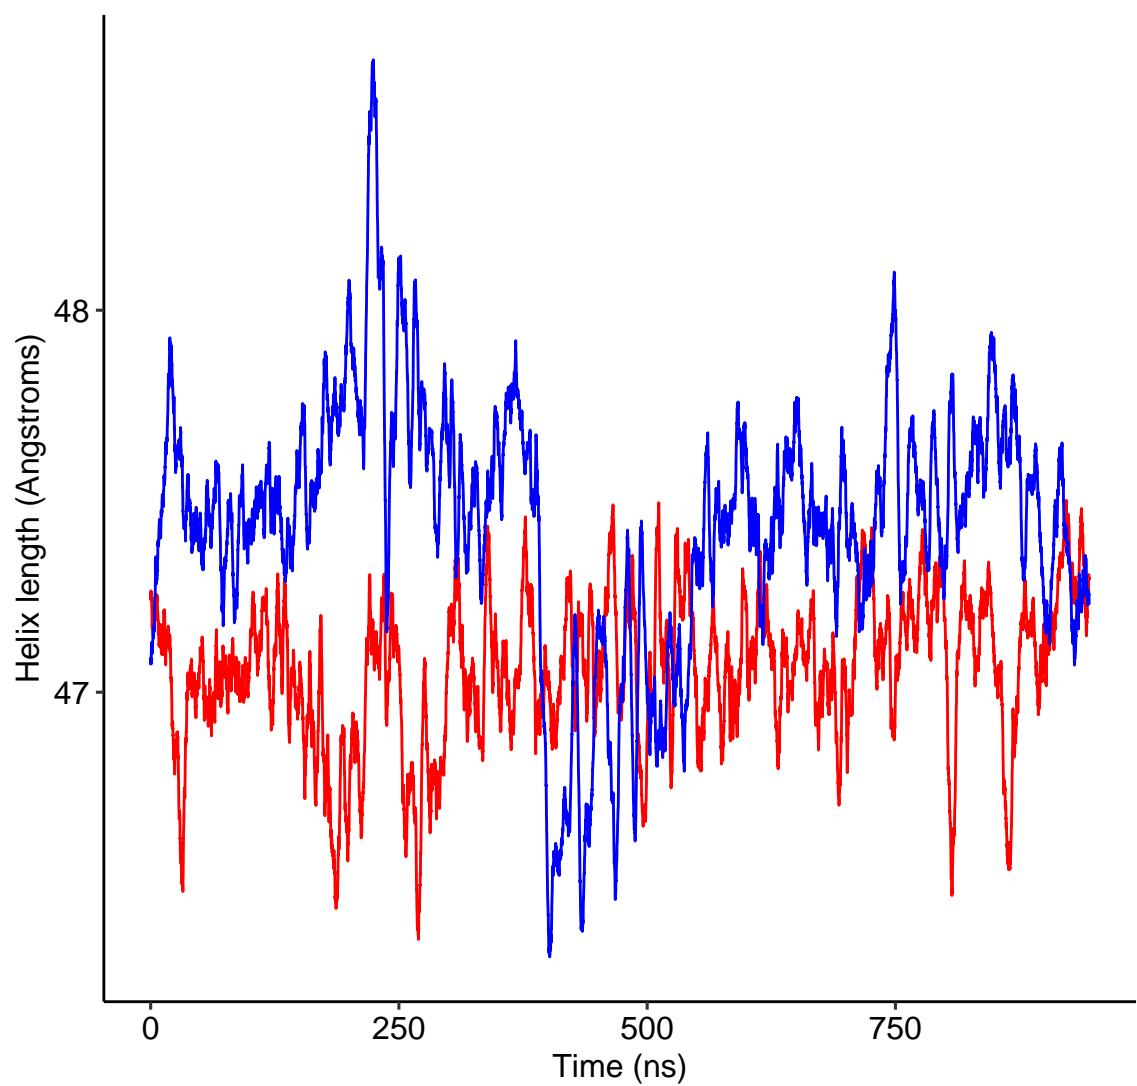

# Helix length trace for MITF, compound 7, orientation 1, no DNA

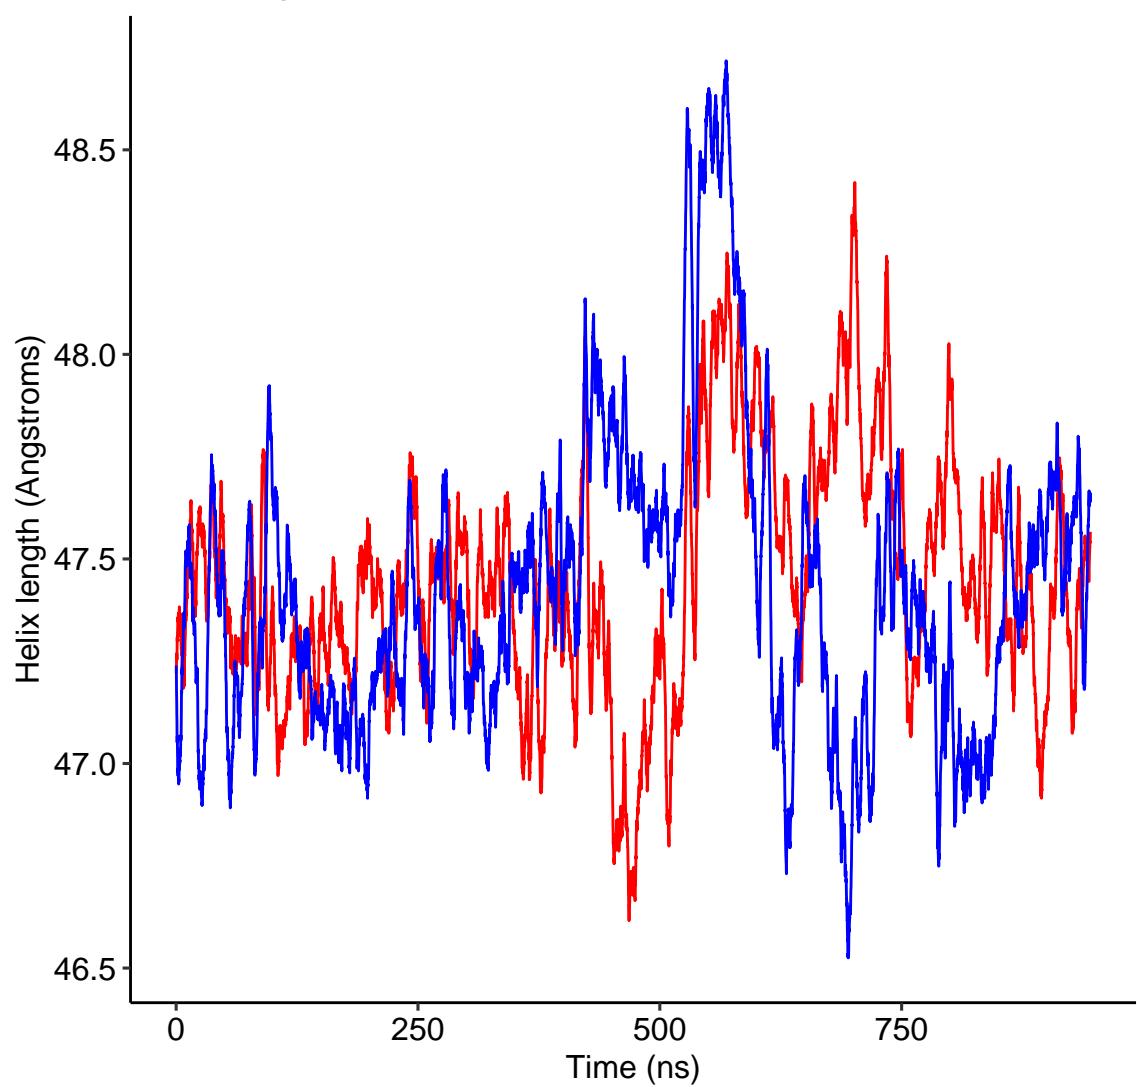

# Helix length trace for MITF, compound 7, orientation 1, no DNA

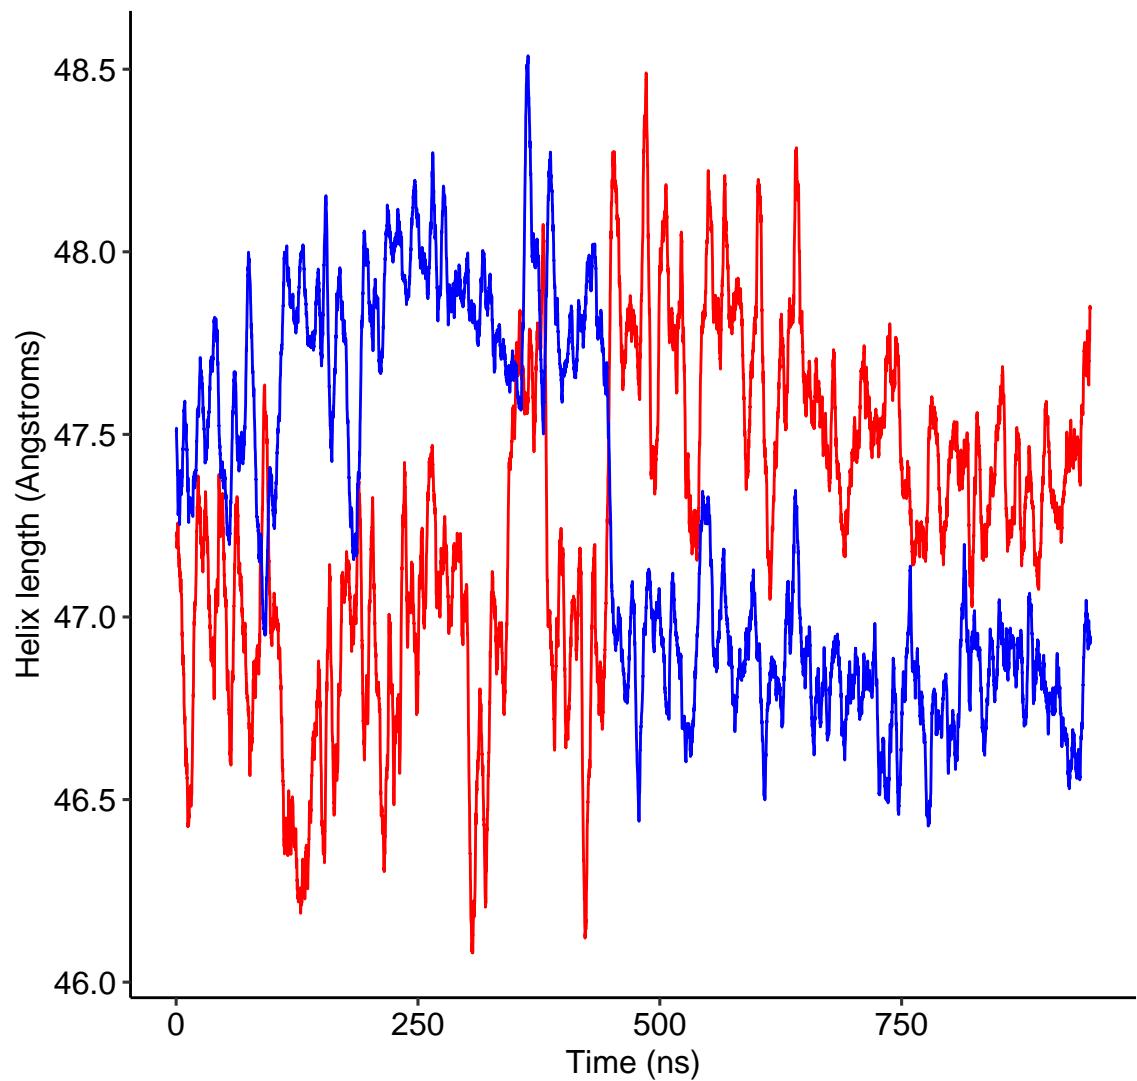

# Helix length trace for MITF, compound 7, orientation 1, no DNA

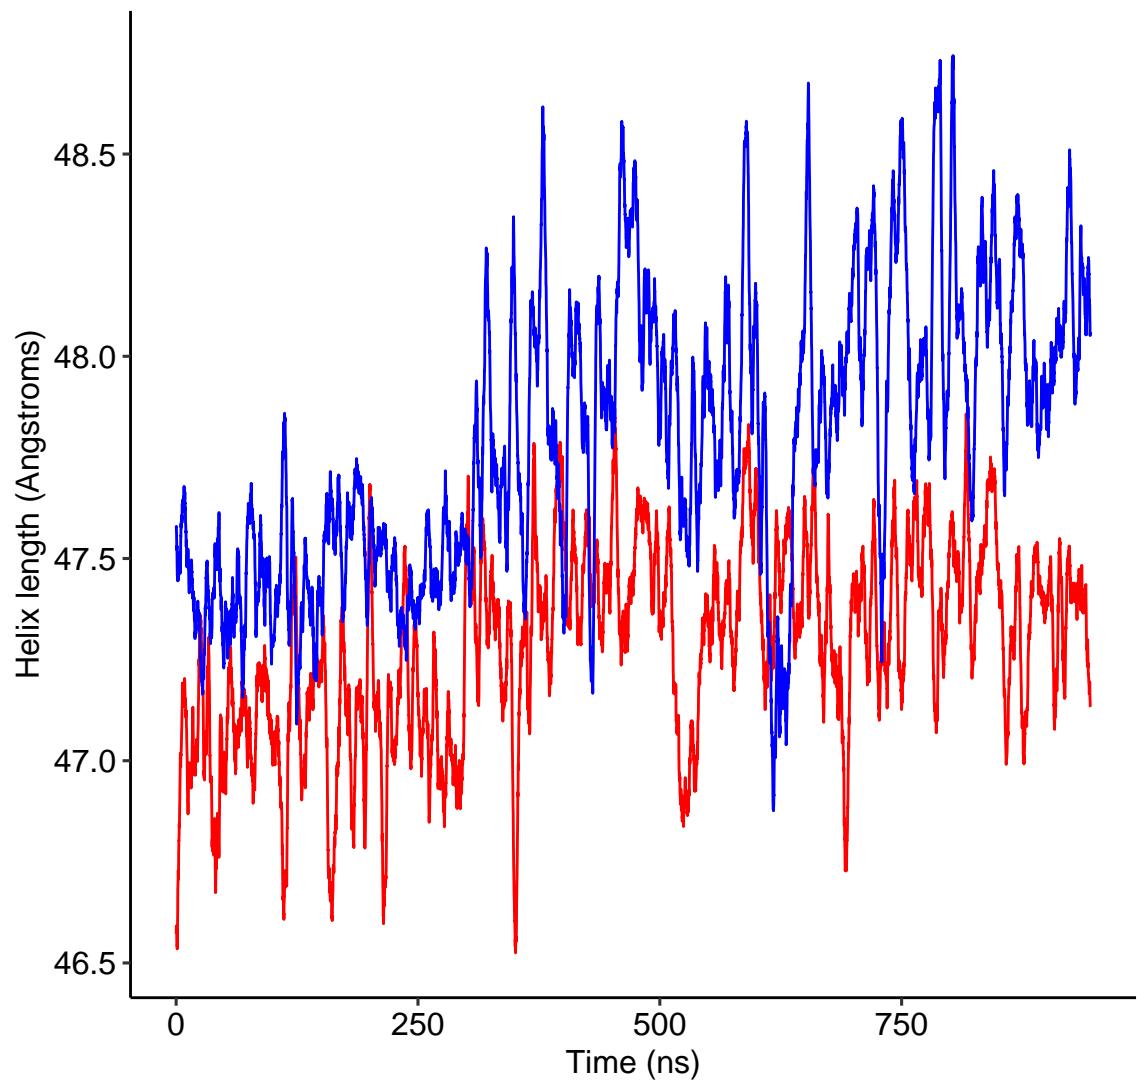

# Helix length trace for MITF, compound 7, orientation 1, no DNA

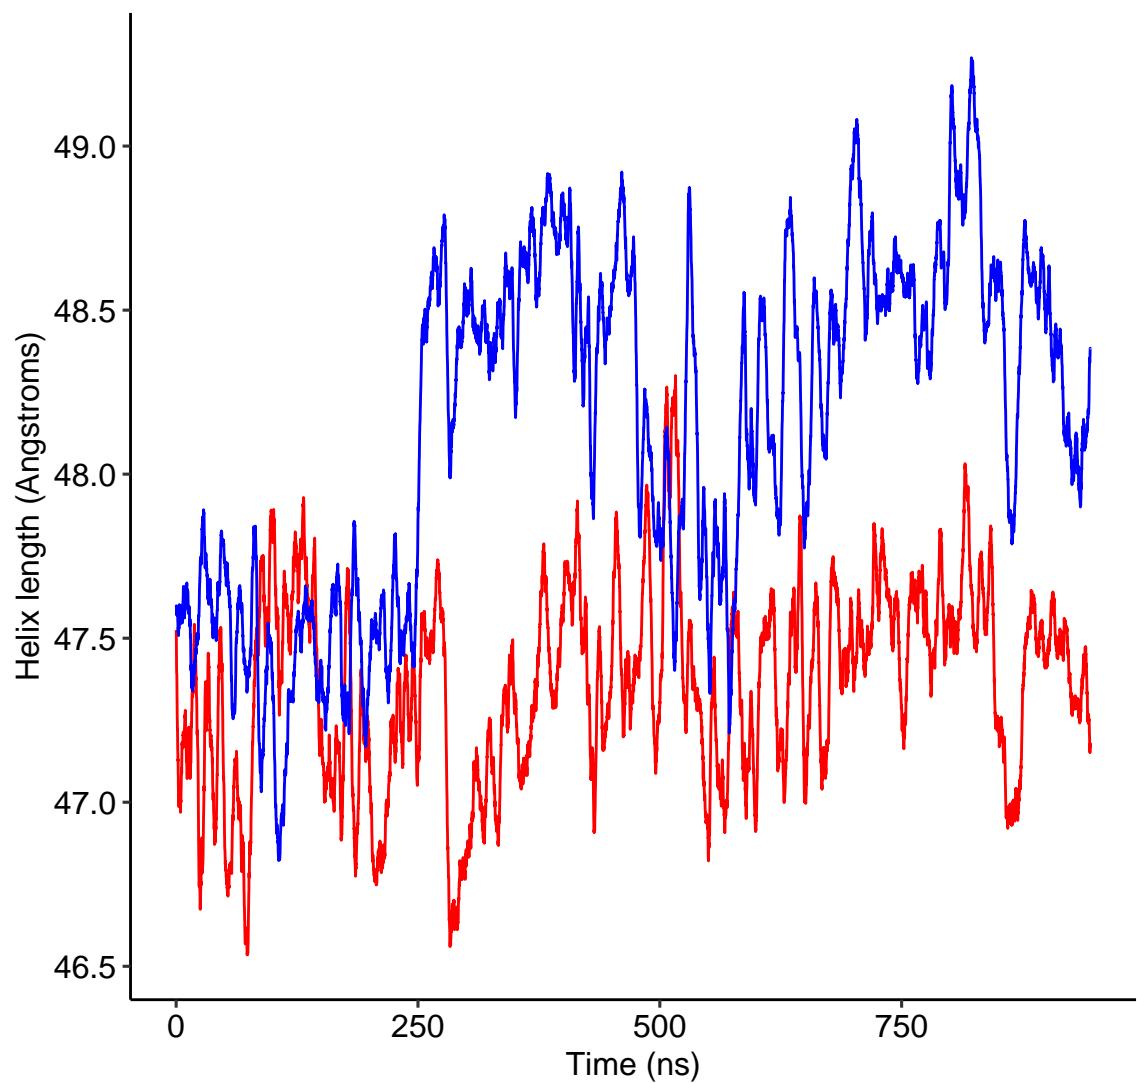

# Helix length trace for MITF, compound 7, orientation 1, with D

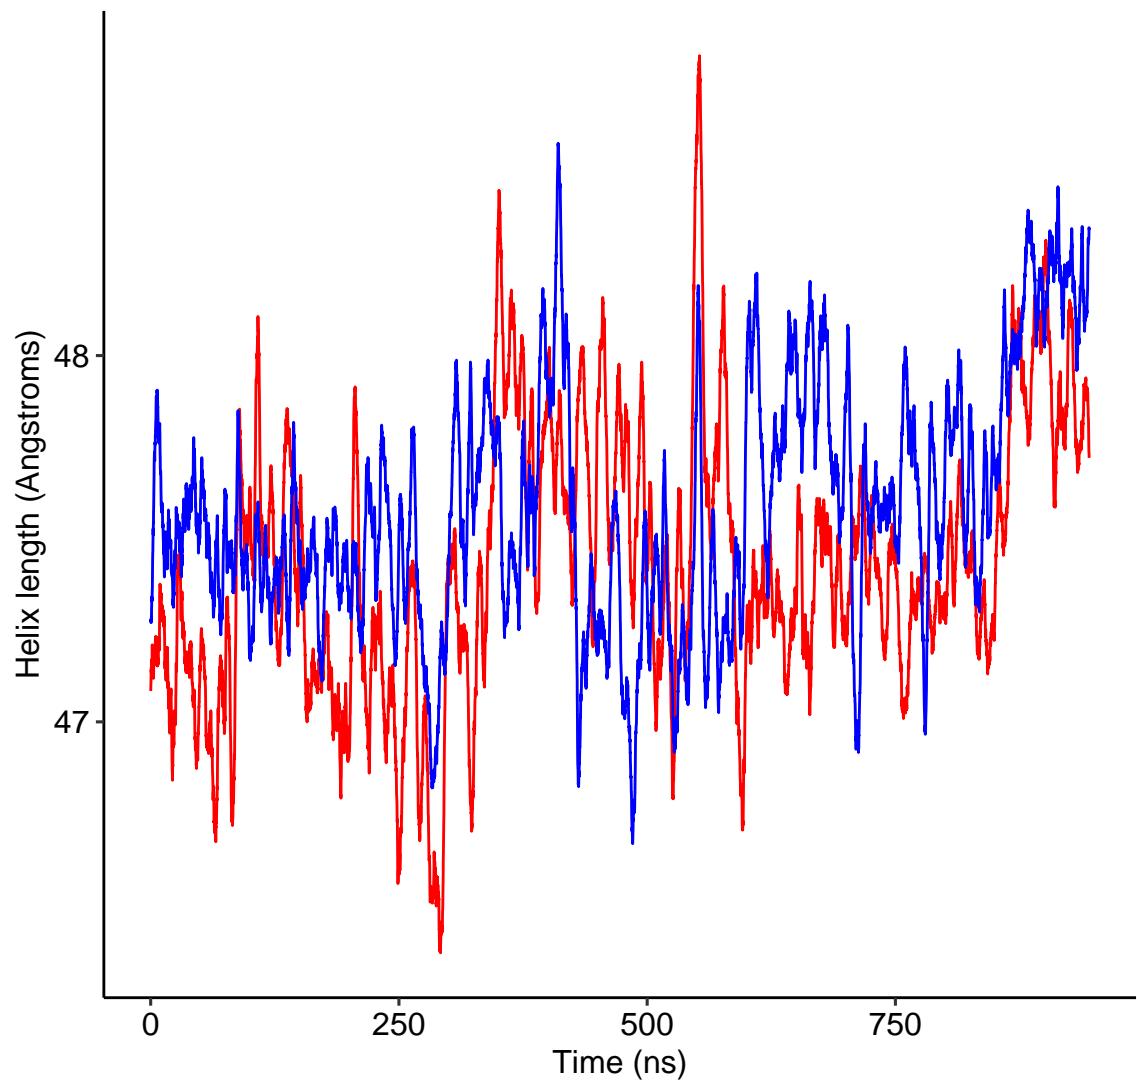

# Helix length trace for MITF, compound 7, orientation 1, with D

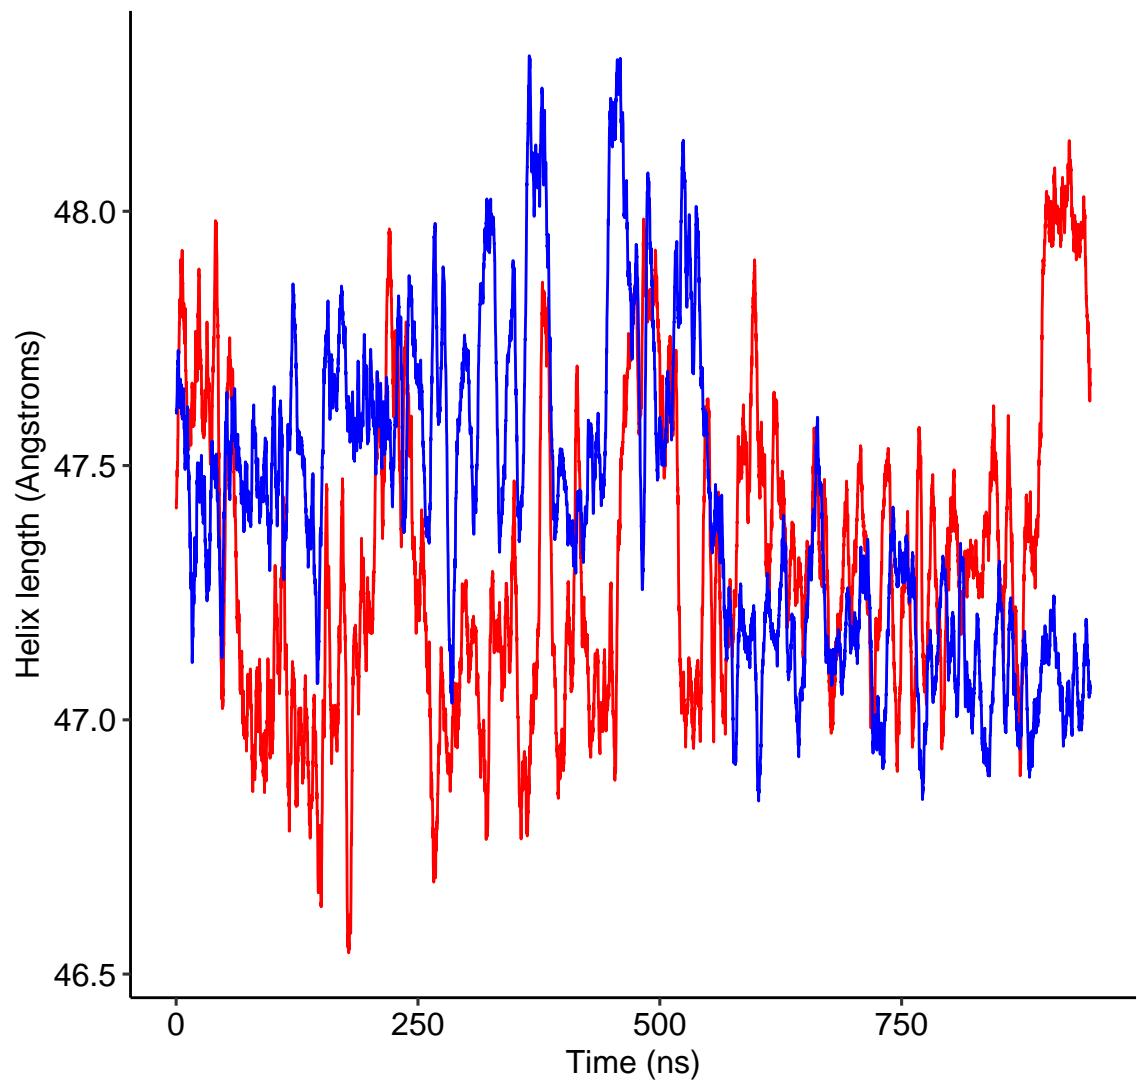

# Helix length trace for MITF, compound 7, orientation 1, with D

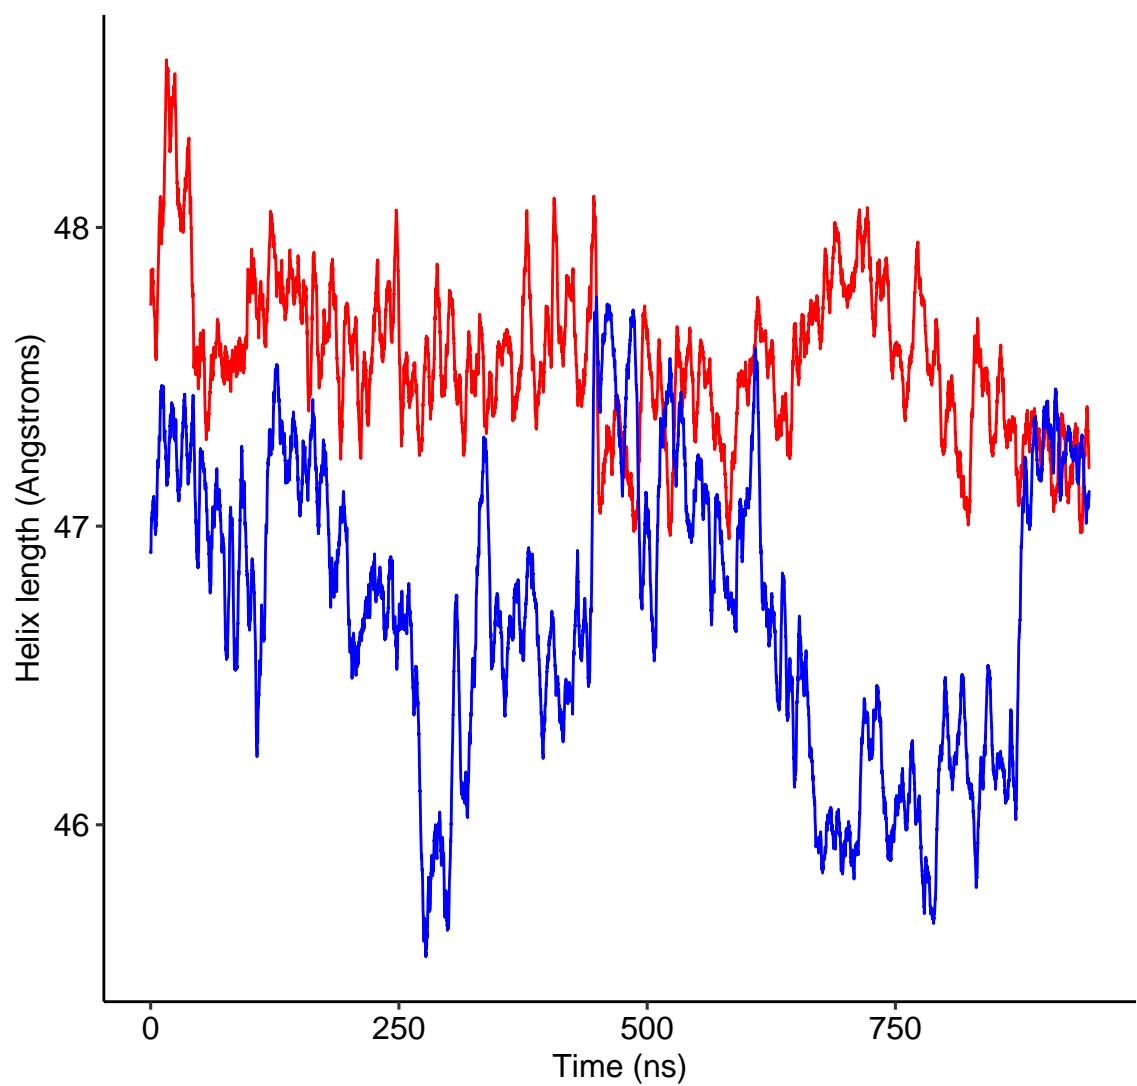

# Helix length trace for MITF, compound 7, orientation 1, with DNA

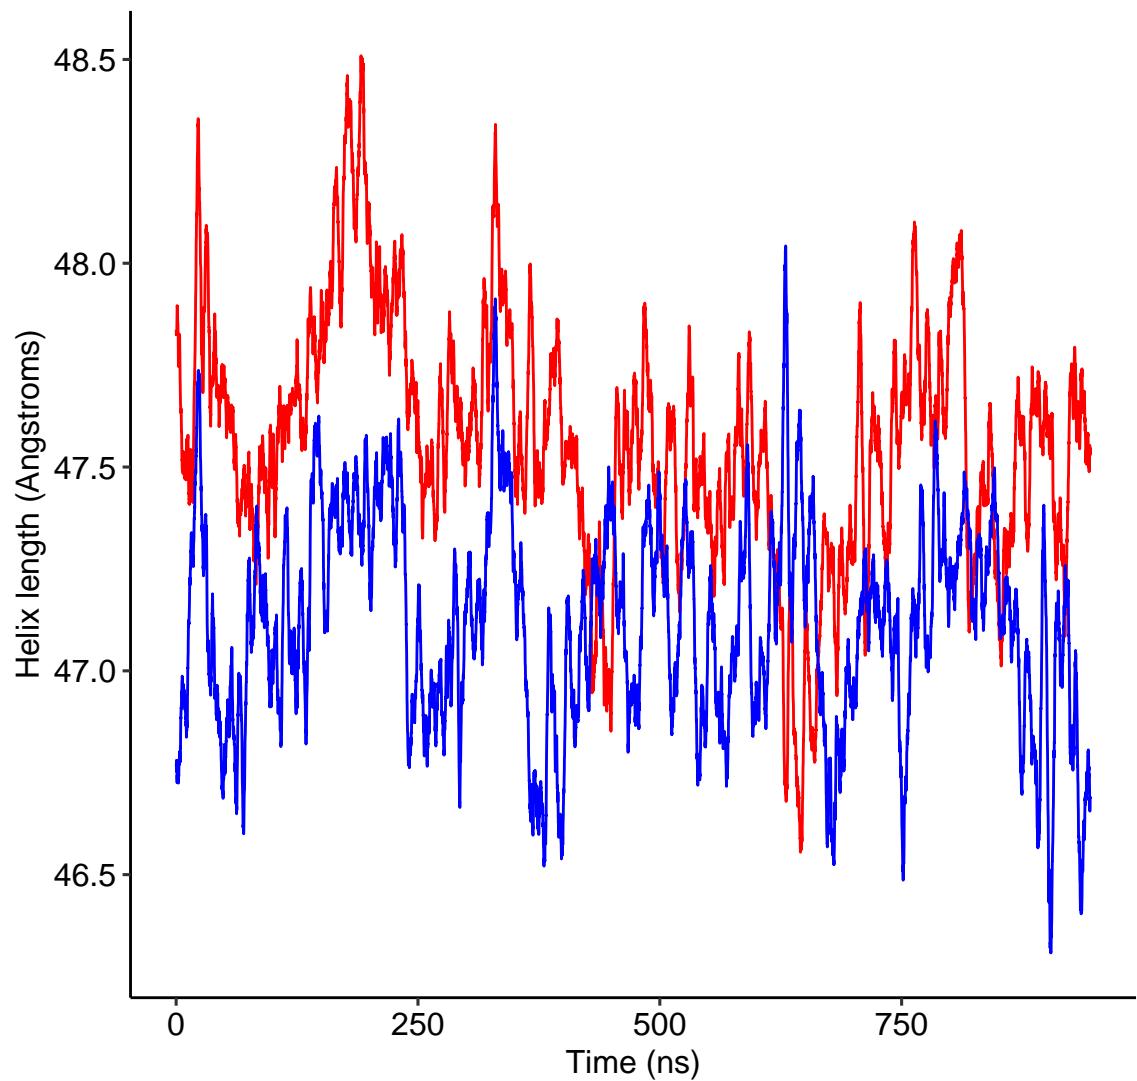

# Helix length trace for MITF, compound 7, orientation 1, with D

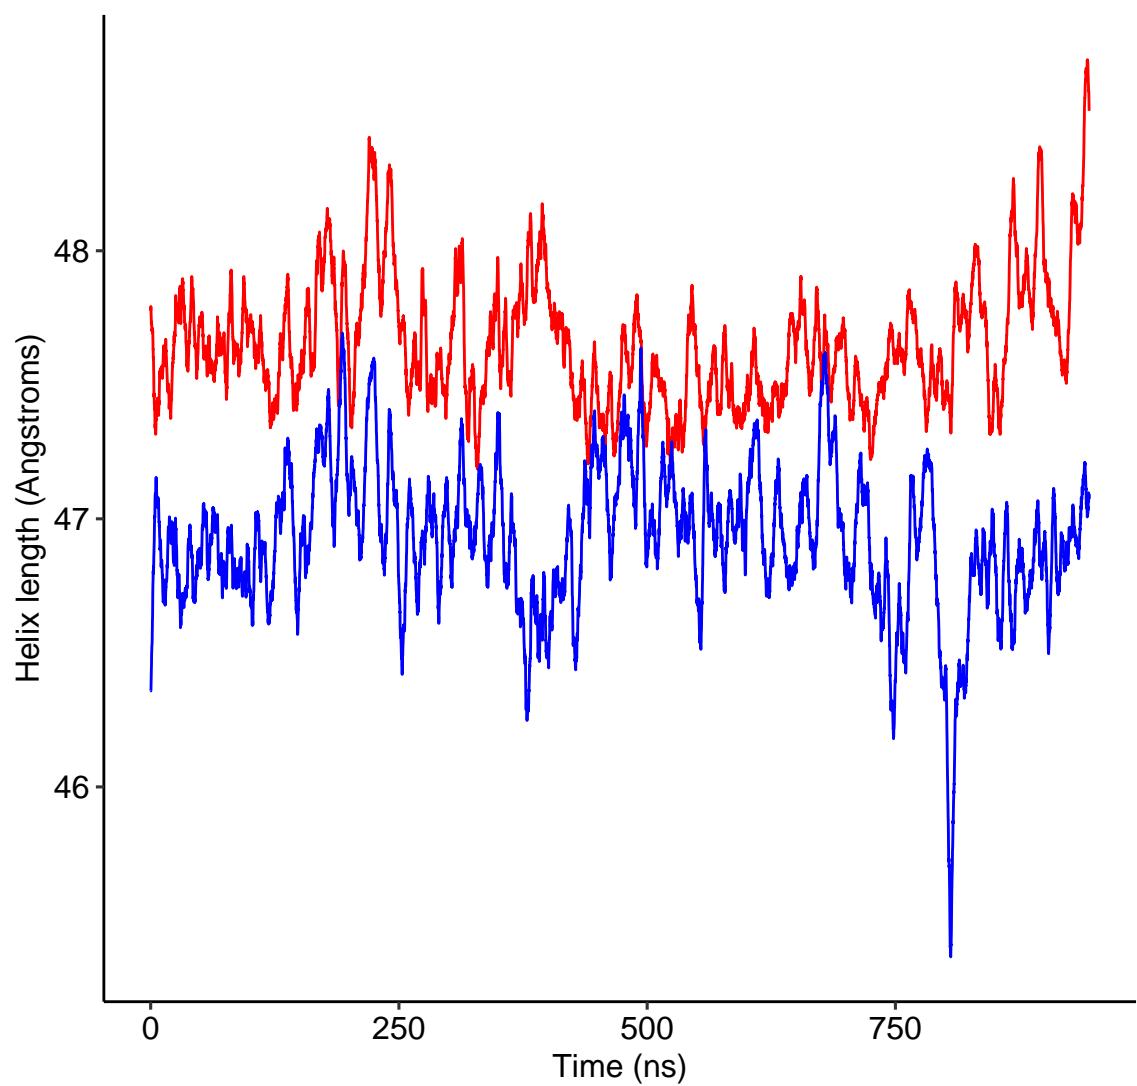

# Helix length trace for MITF, compound 7, orientation 2, no DNA

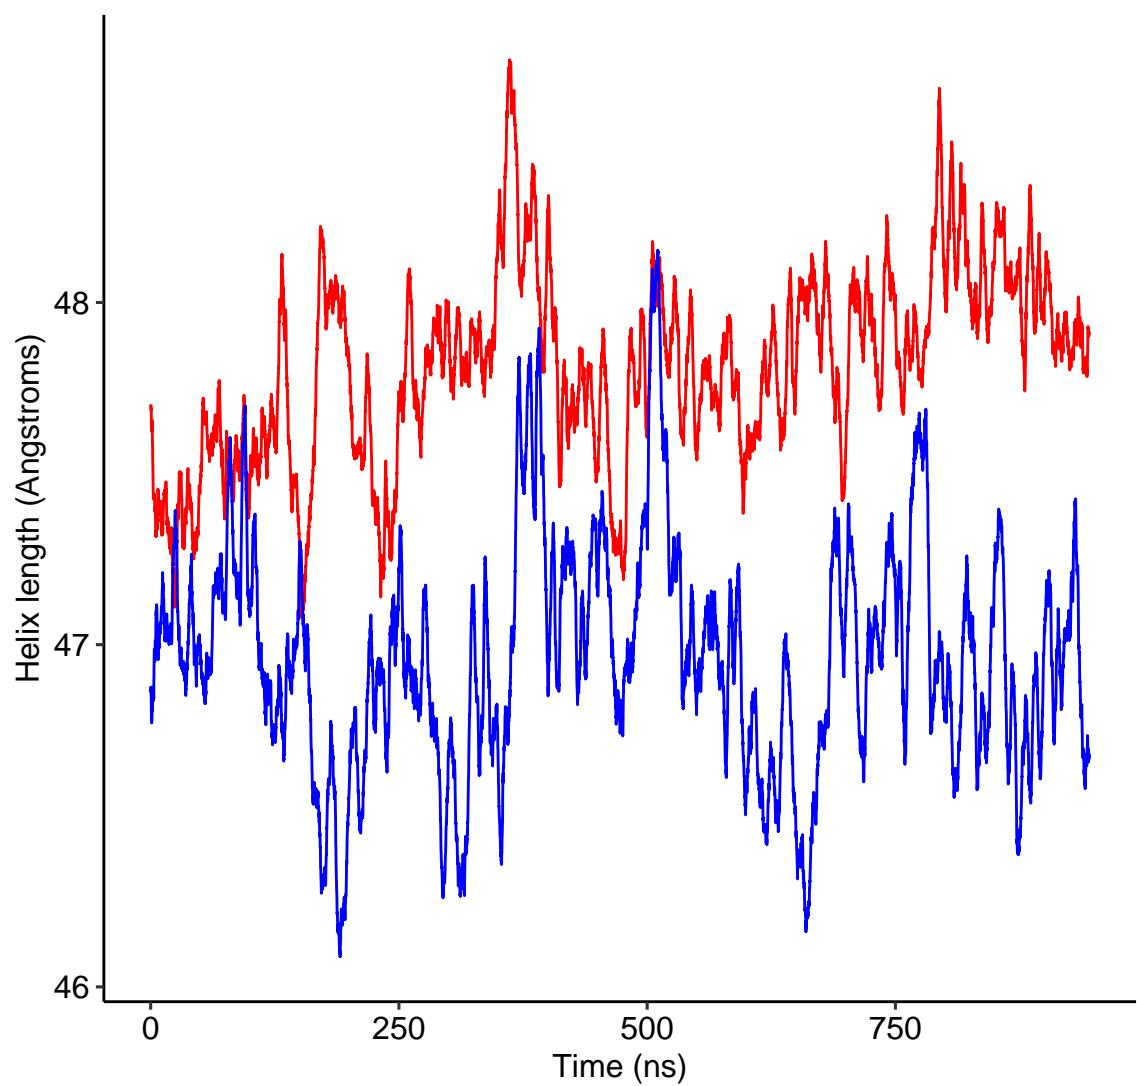

# Helix length trace for MITF, compound 7, orientation 2, no DNA

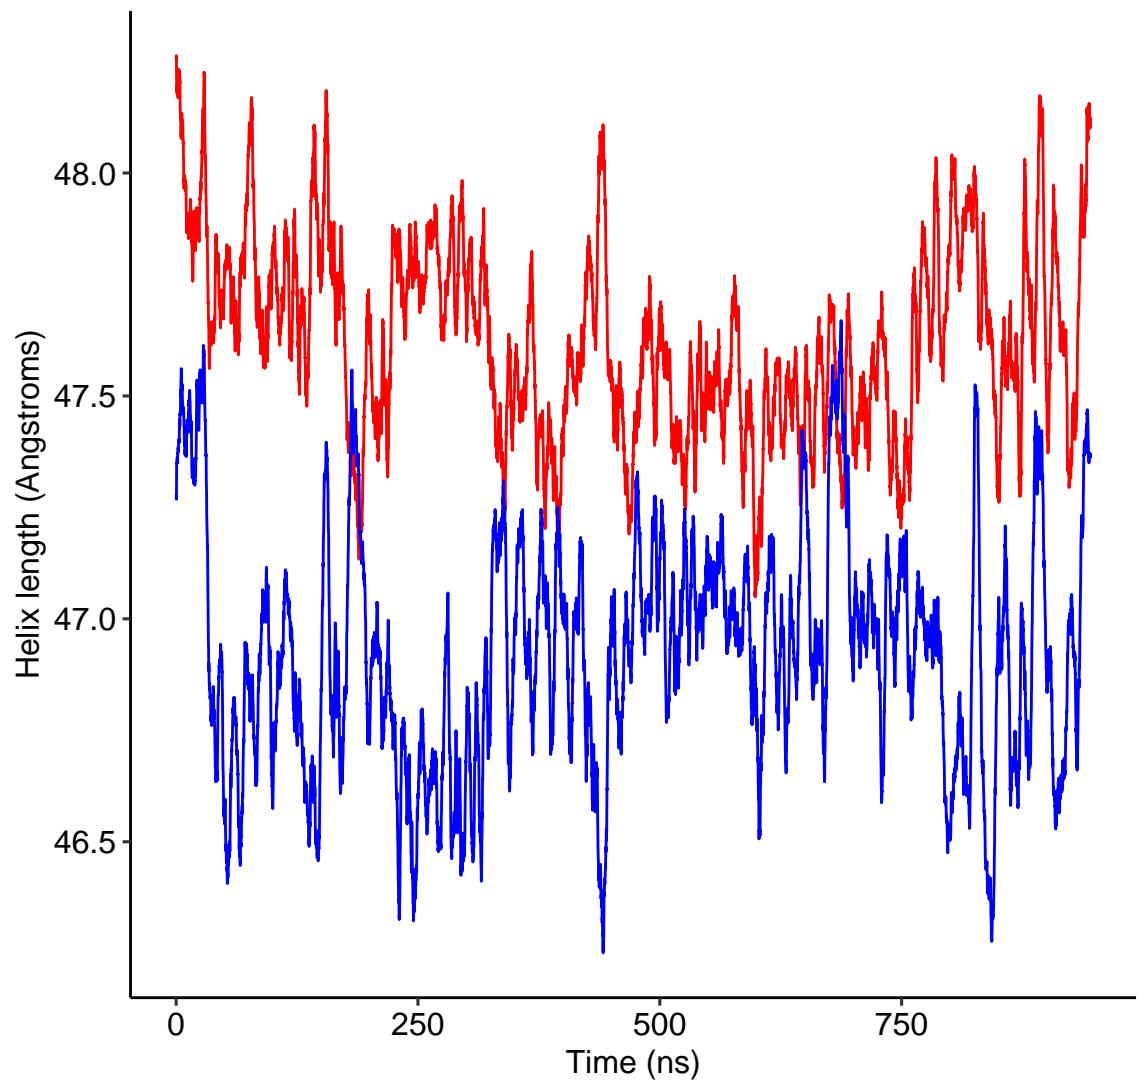

# Helix length trace for MITF, compound 7, orientation 2, no DNA

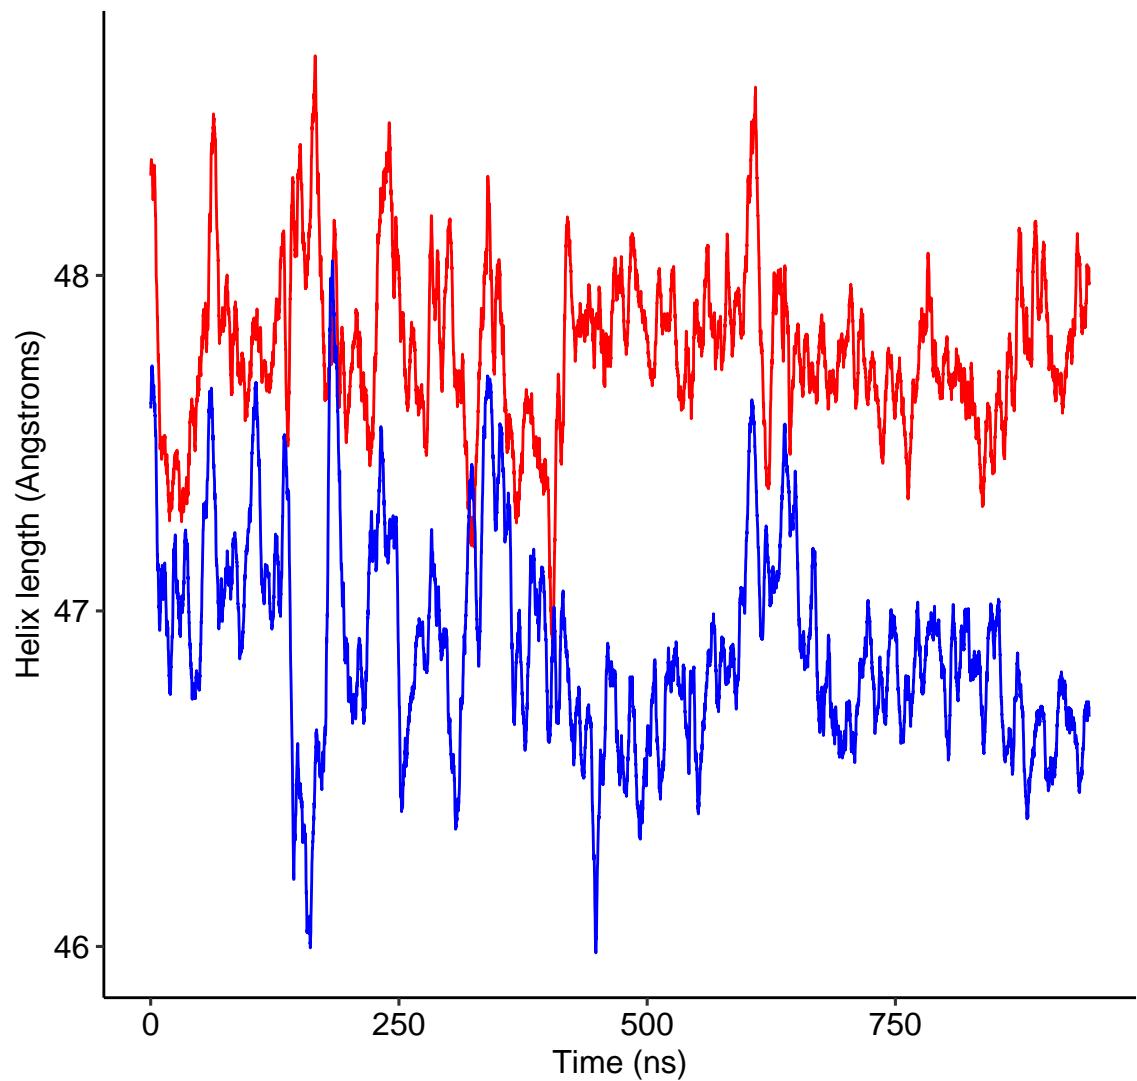

# Helix length trace for MITF, compound 7, orientation 2, no DNA

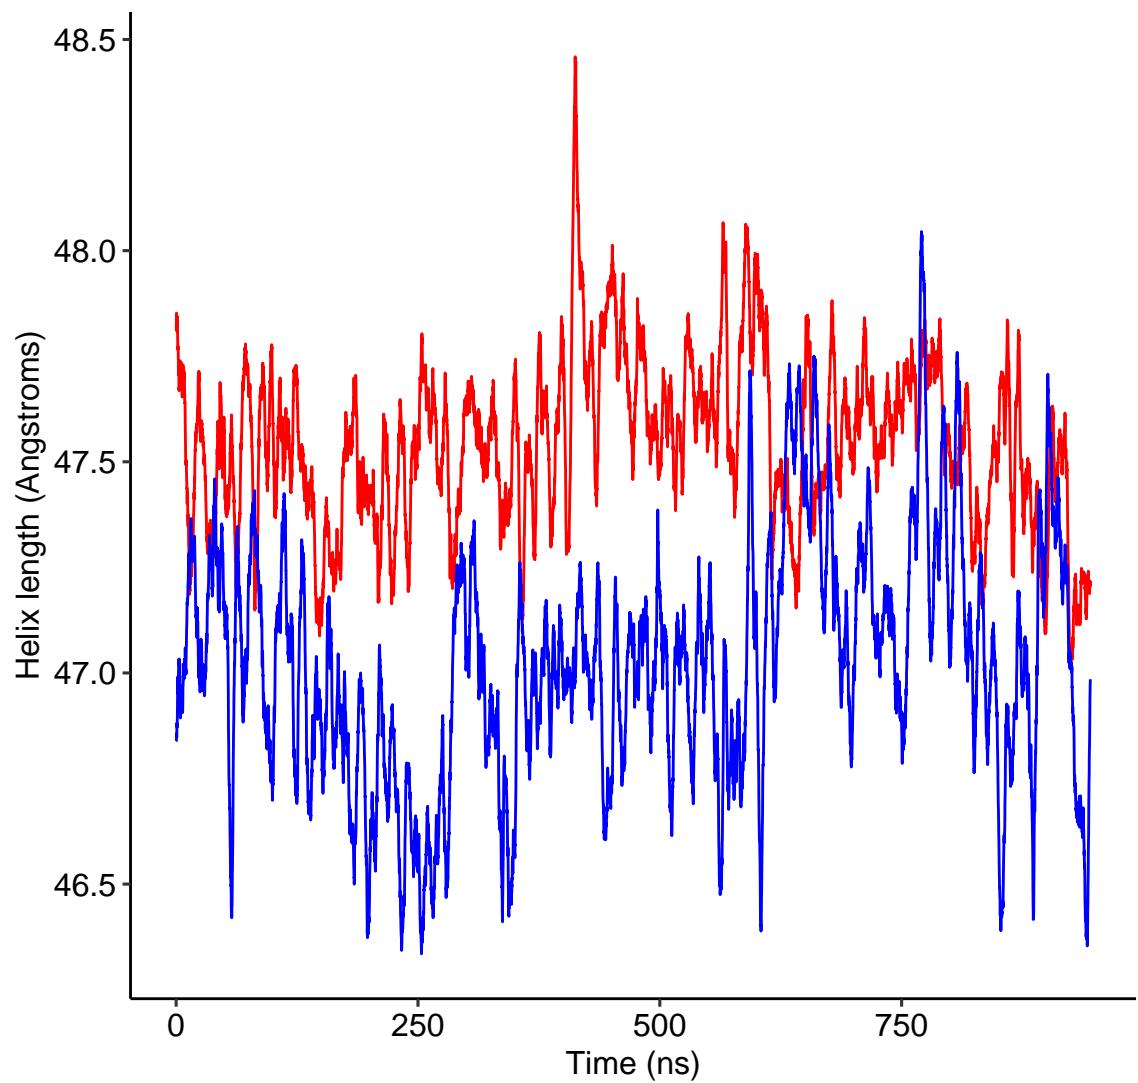

# Helix length trace for MITF, compound 7, orientation 2, no DNA

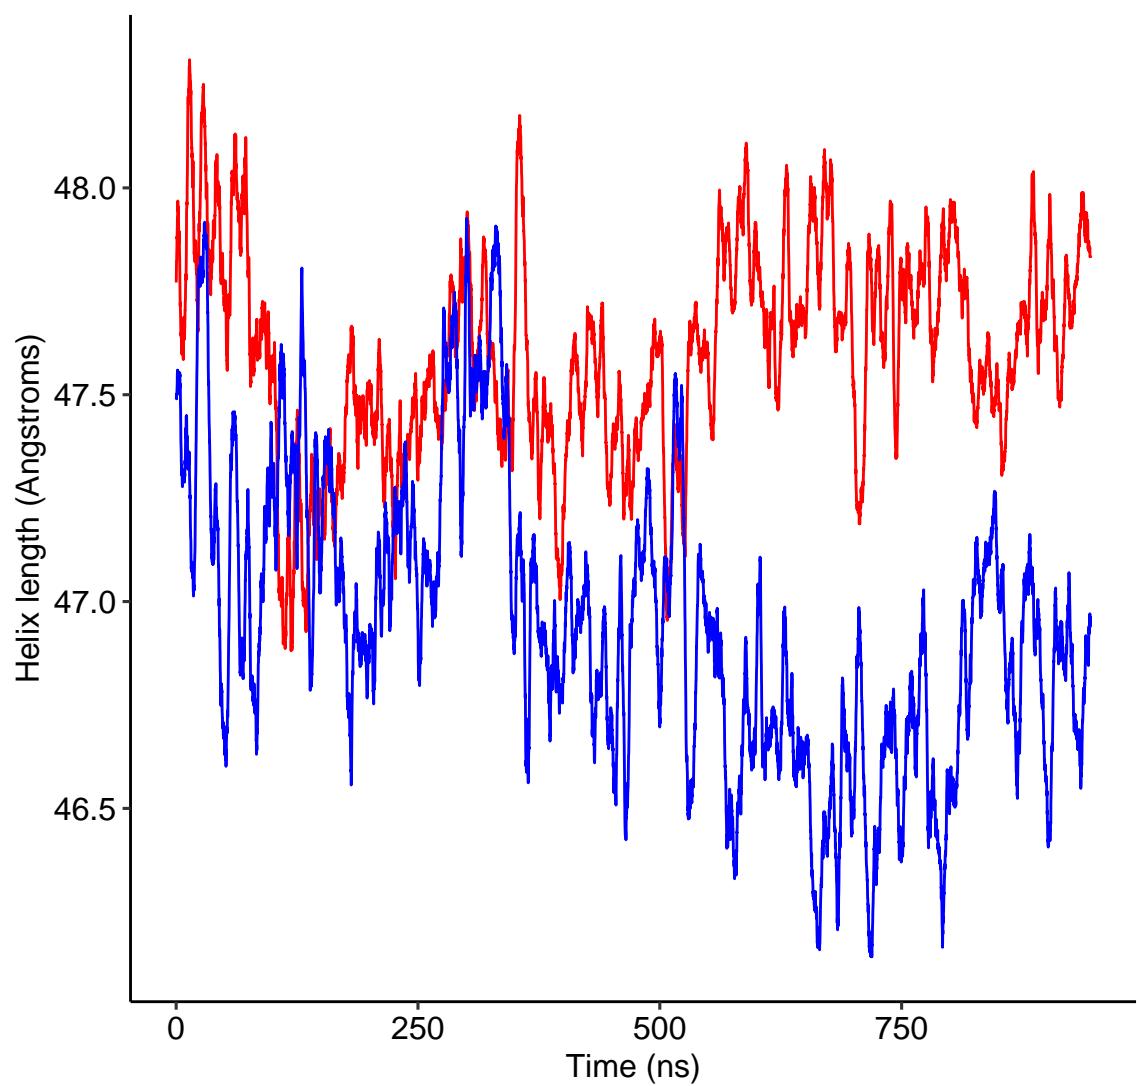

# Helix length trace for MITF, compound 7, orientation 2, with DNA

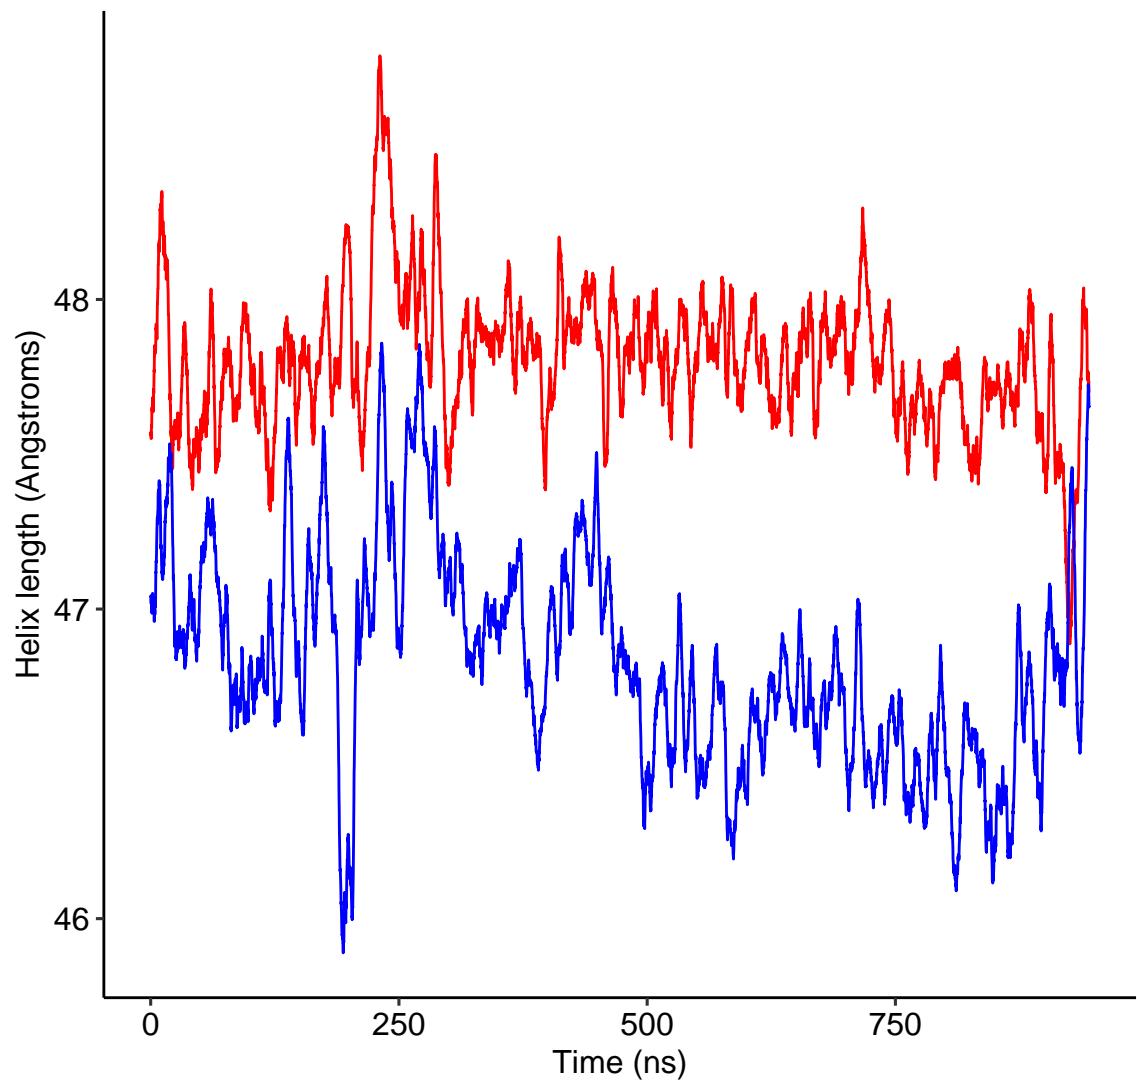

# Helix length trace for MITF, compound 7, orientation 2, with D

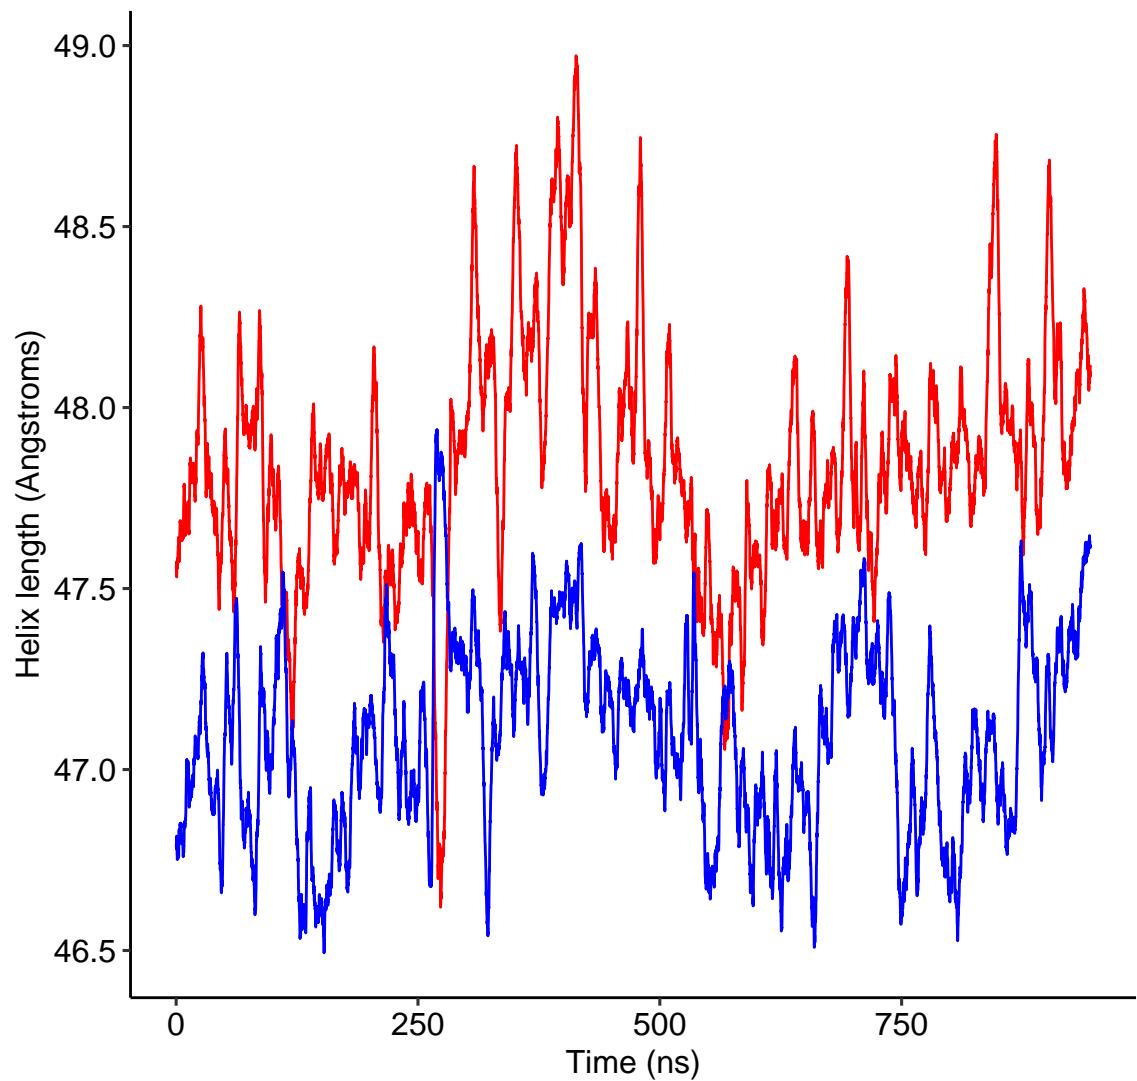

# Helix length trace for MITF, compound 7, orientation 2, with D

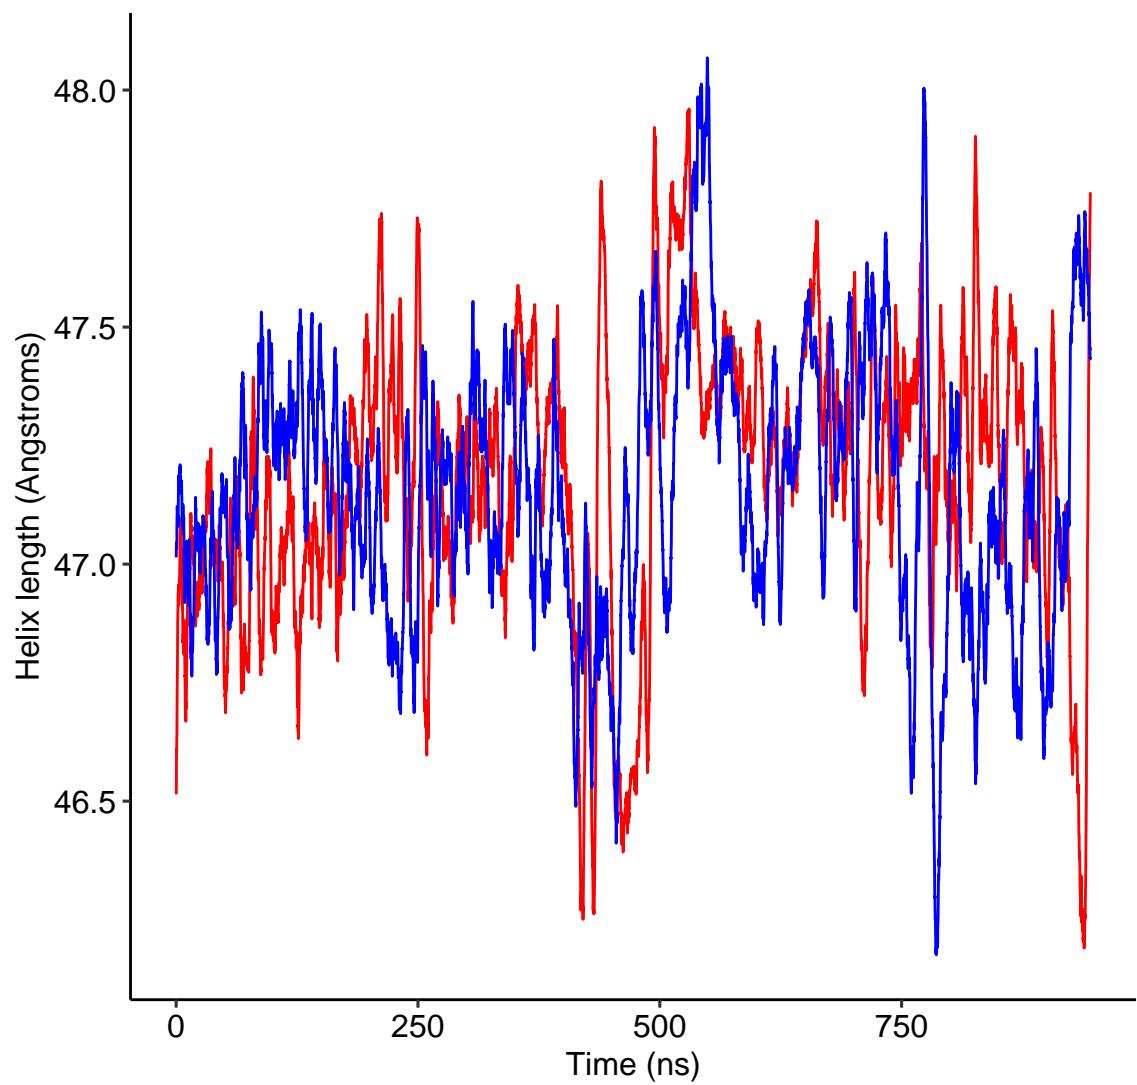

# Helix length trace for MITF, compound 7, orientation 2, with DNA

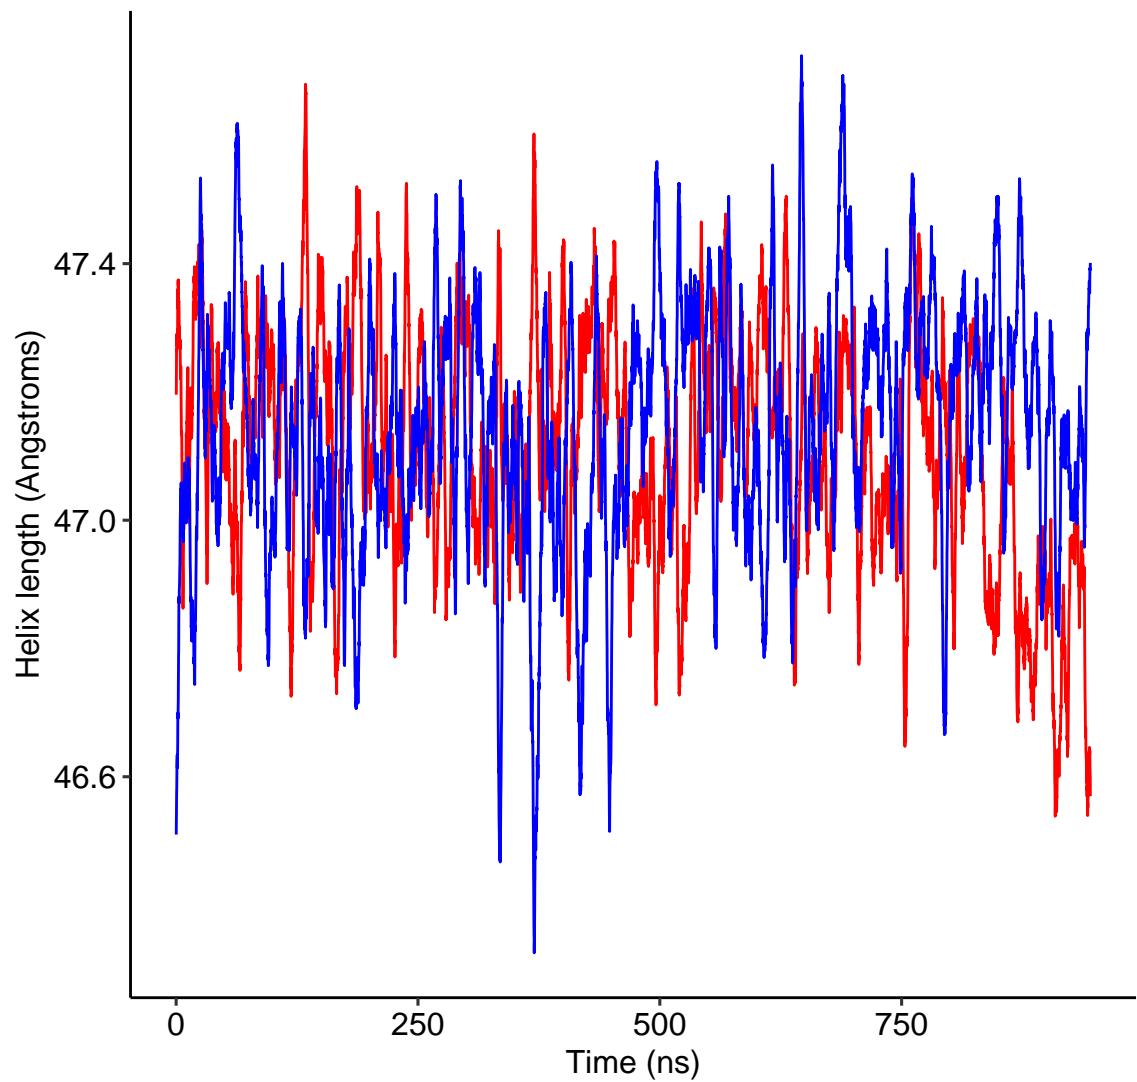

# Helix length trace for MITF, compound 7, orientation 2, with D

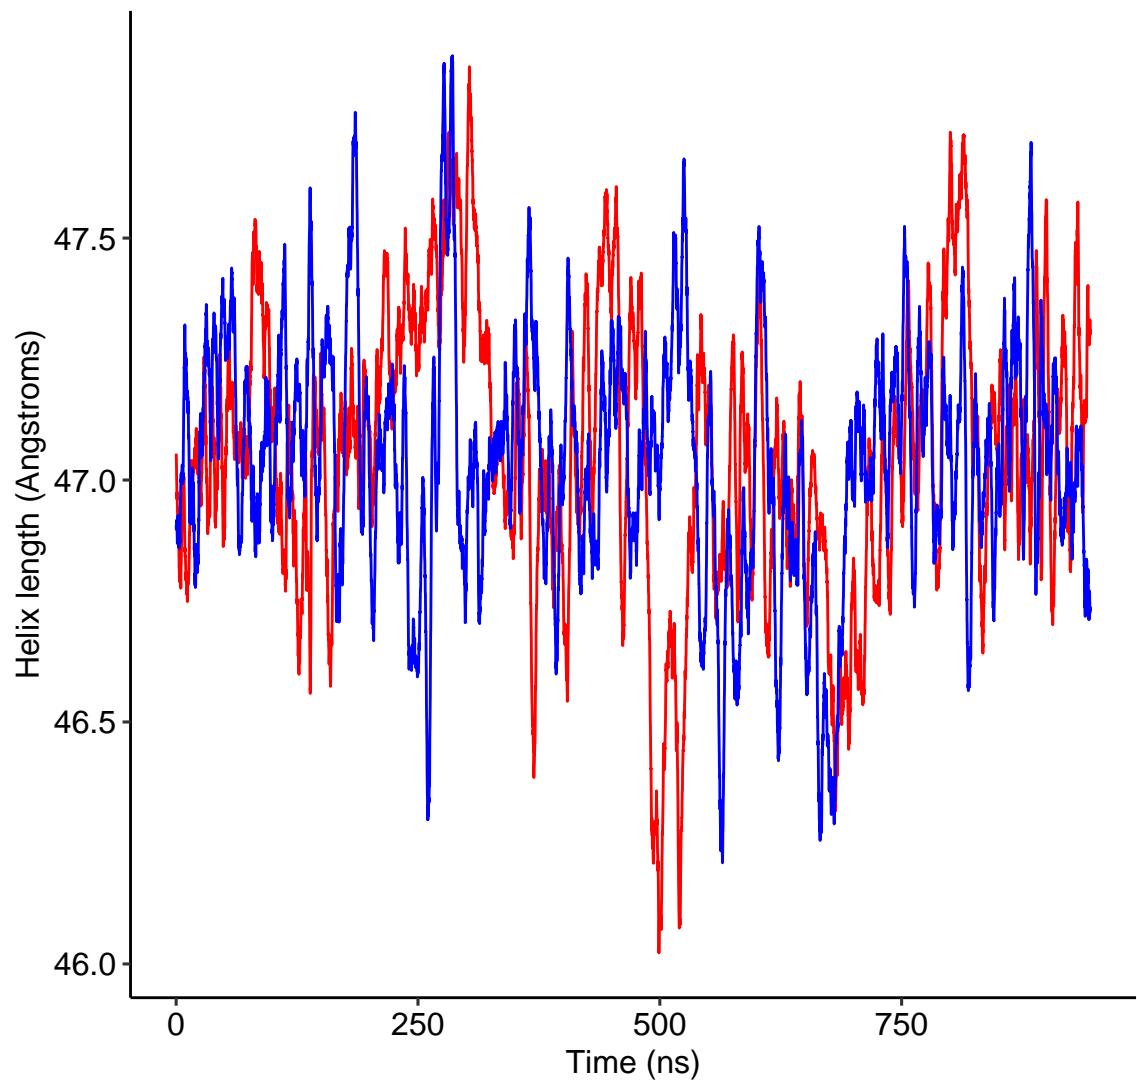

# Helix length trace for MITF, no compound, no DNA

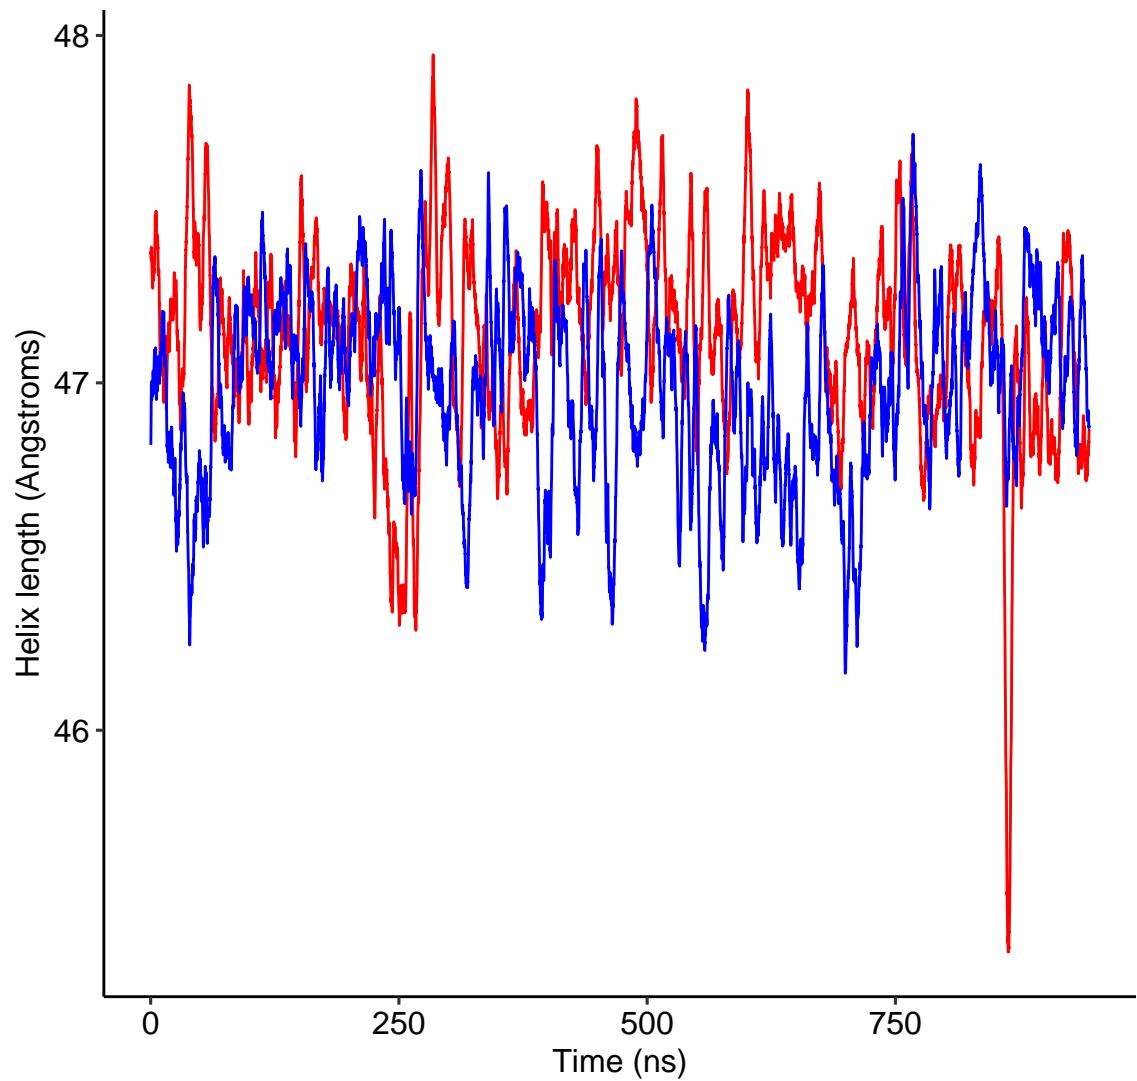

# Helix length trace for MITF, no compound, no DNA

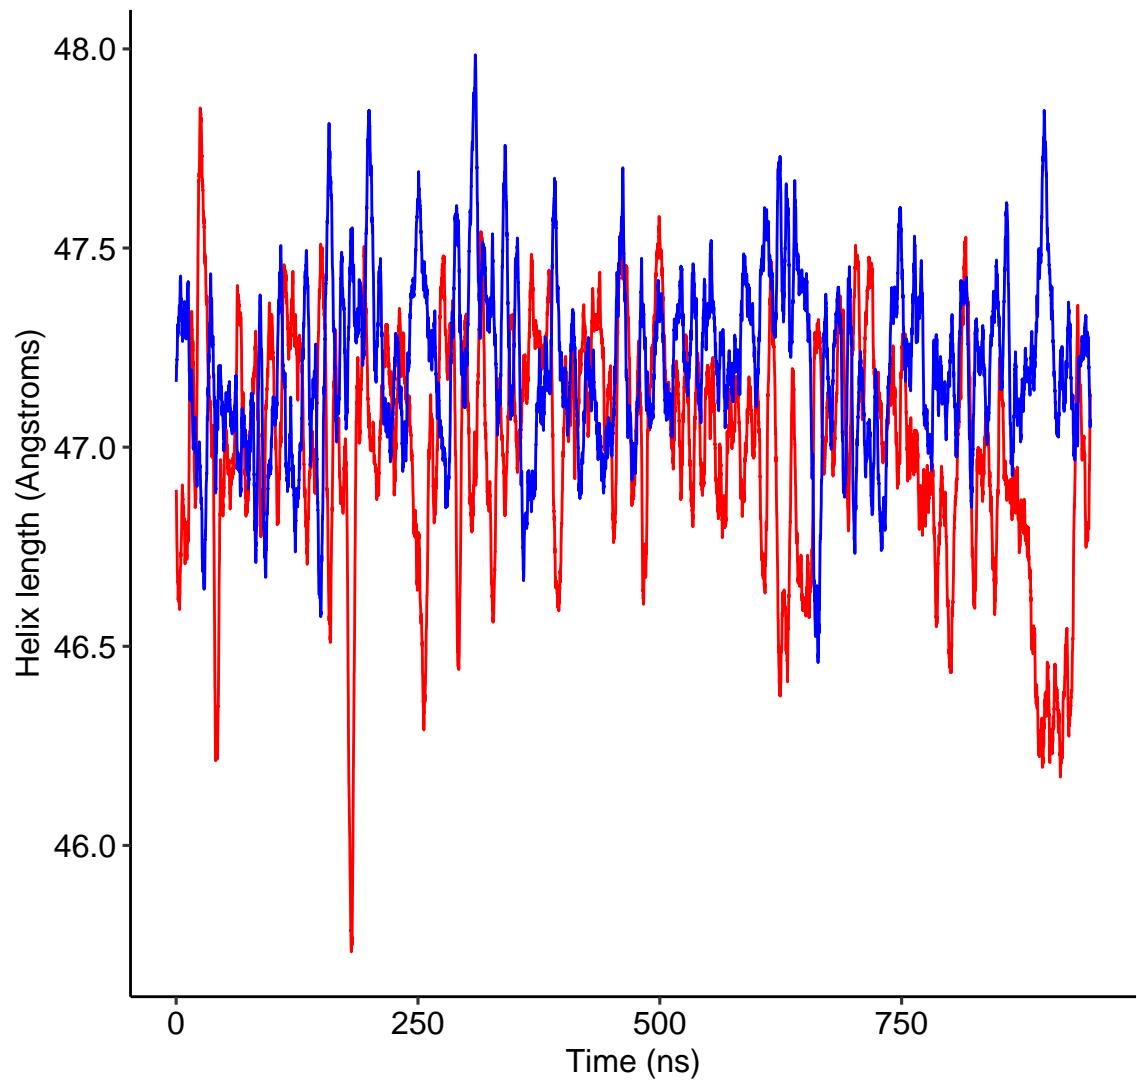

# Helix length trace for MITF, no compound, no DNA

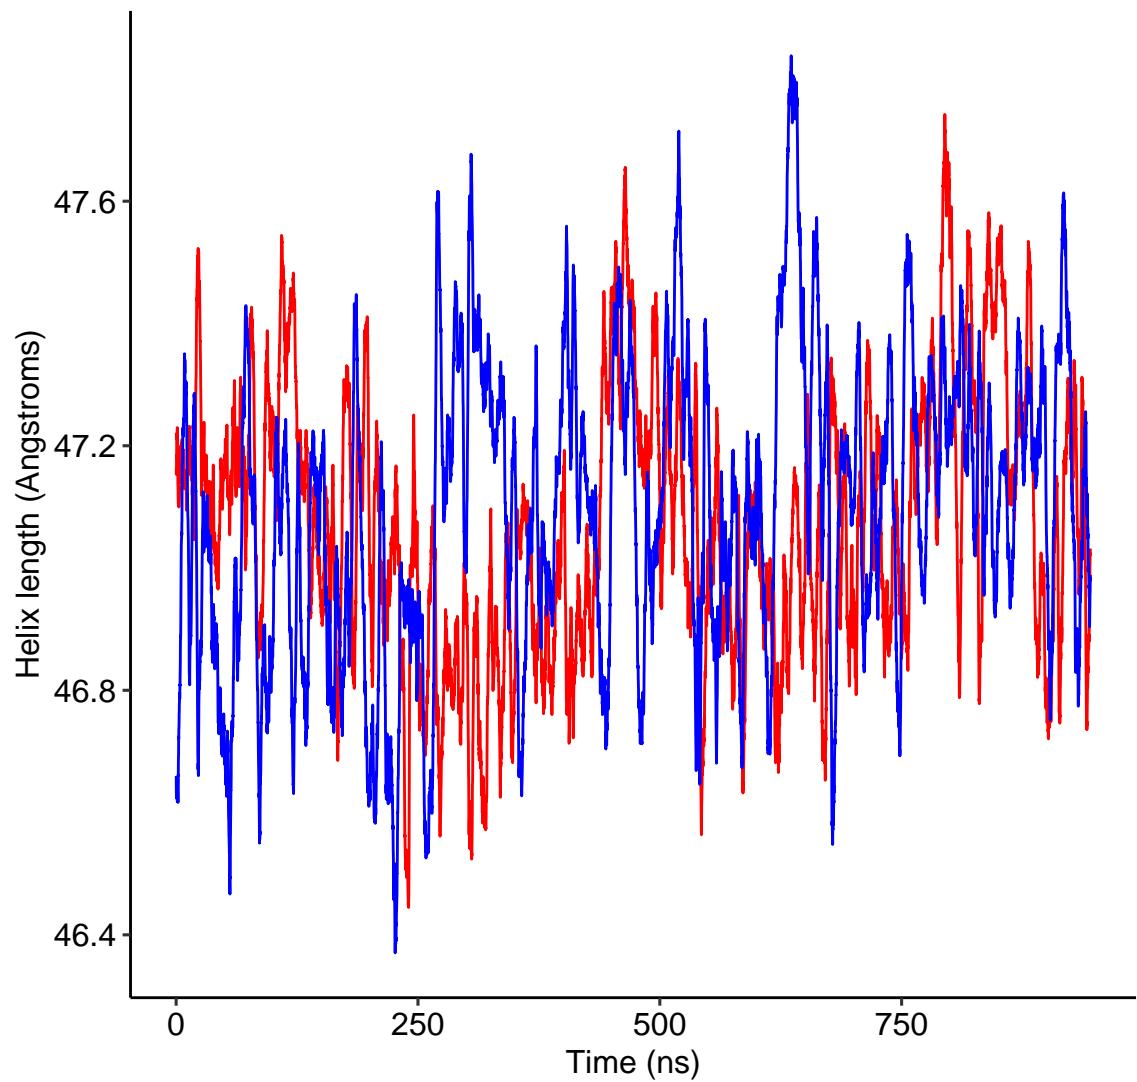

# Helix length trace for MITF, no compound, no DNA

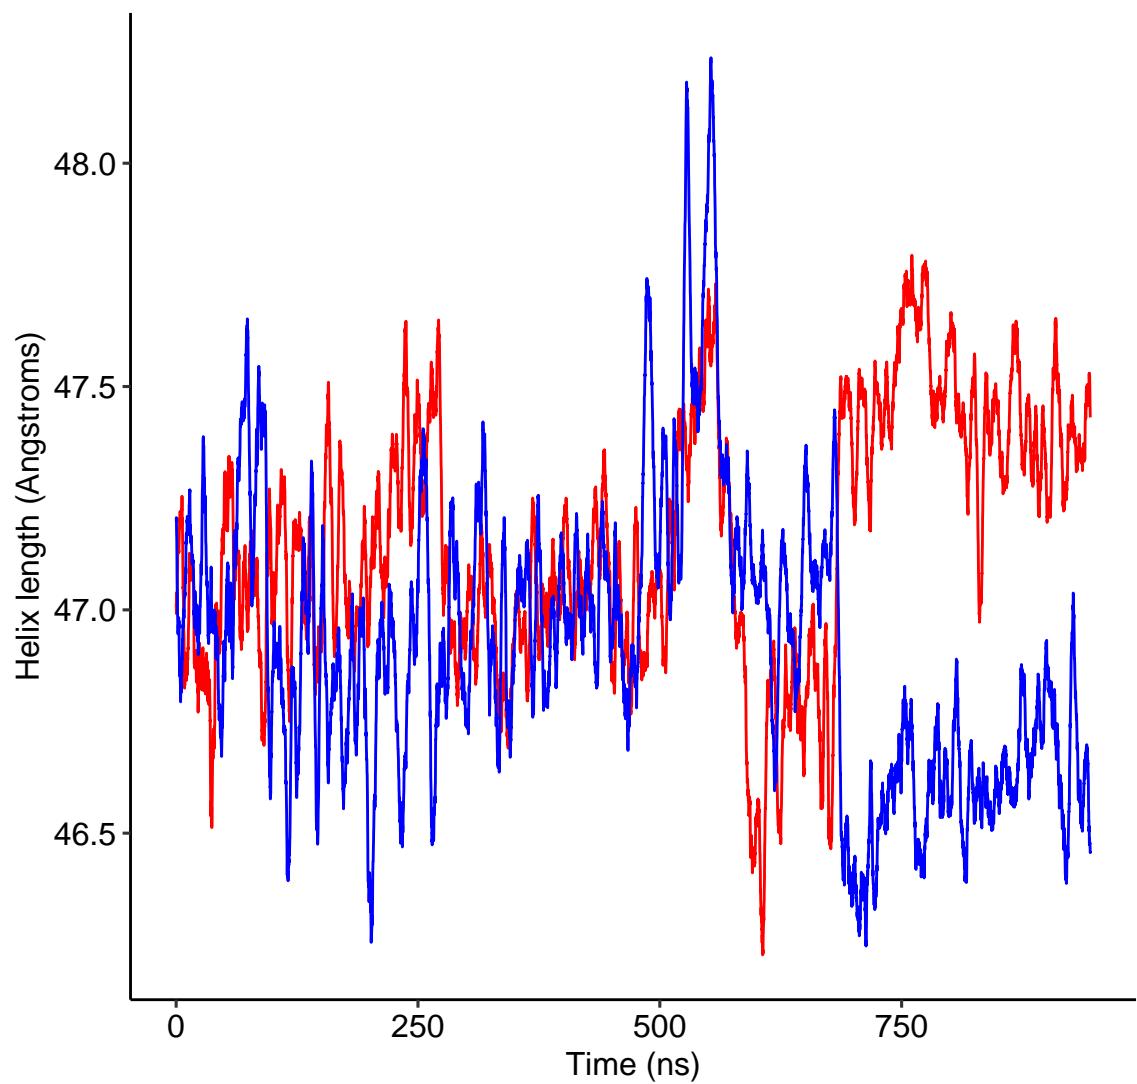

# Helix length trace for MITF, no compound, no DNA

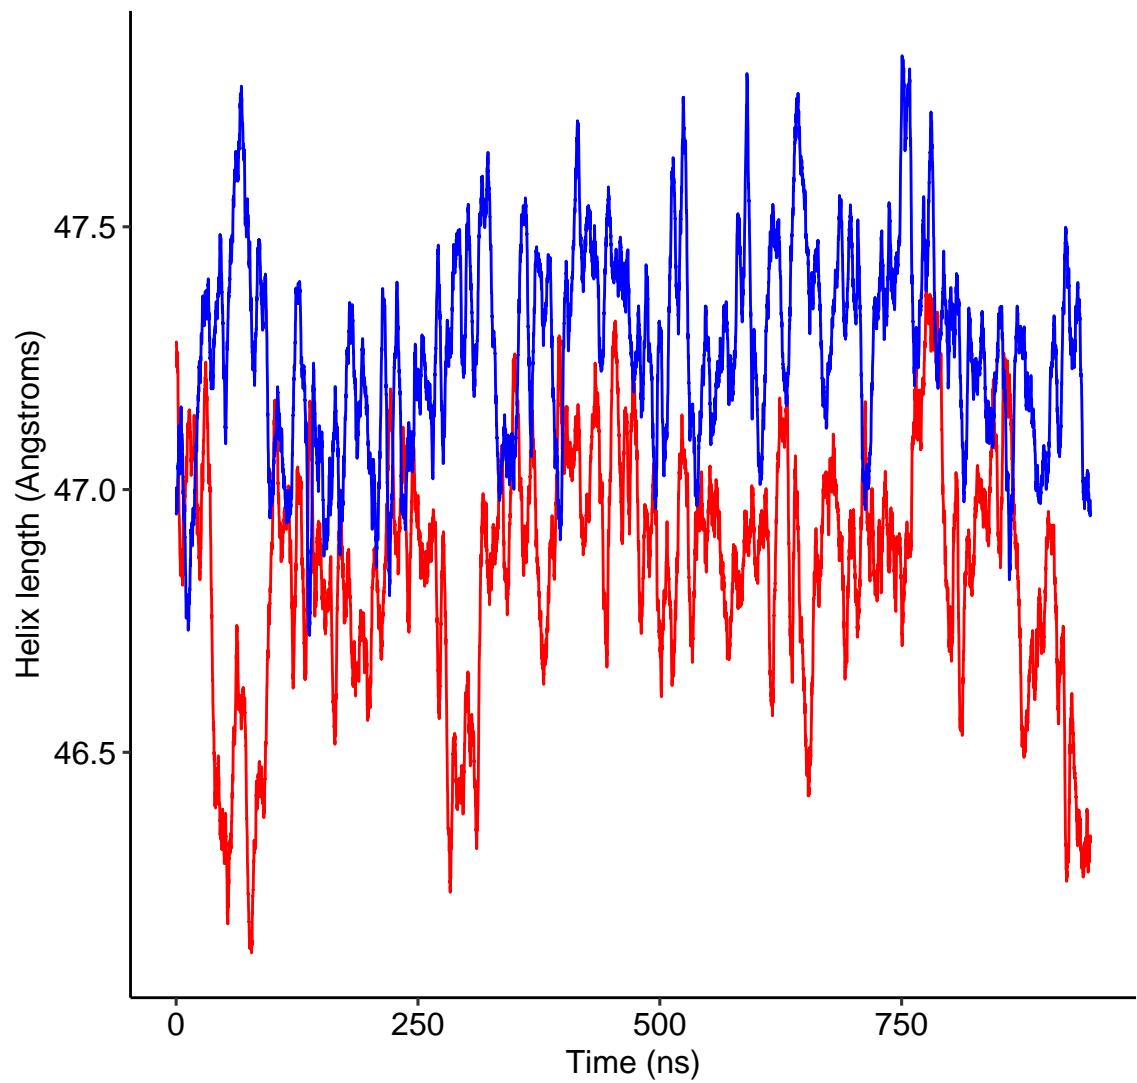

# Helix length trace for MITF, no compound, with DNA

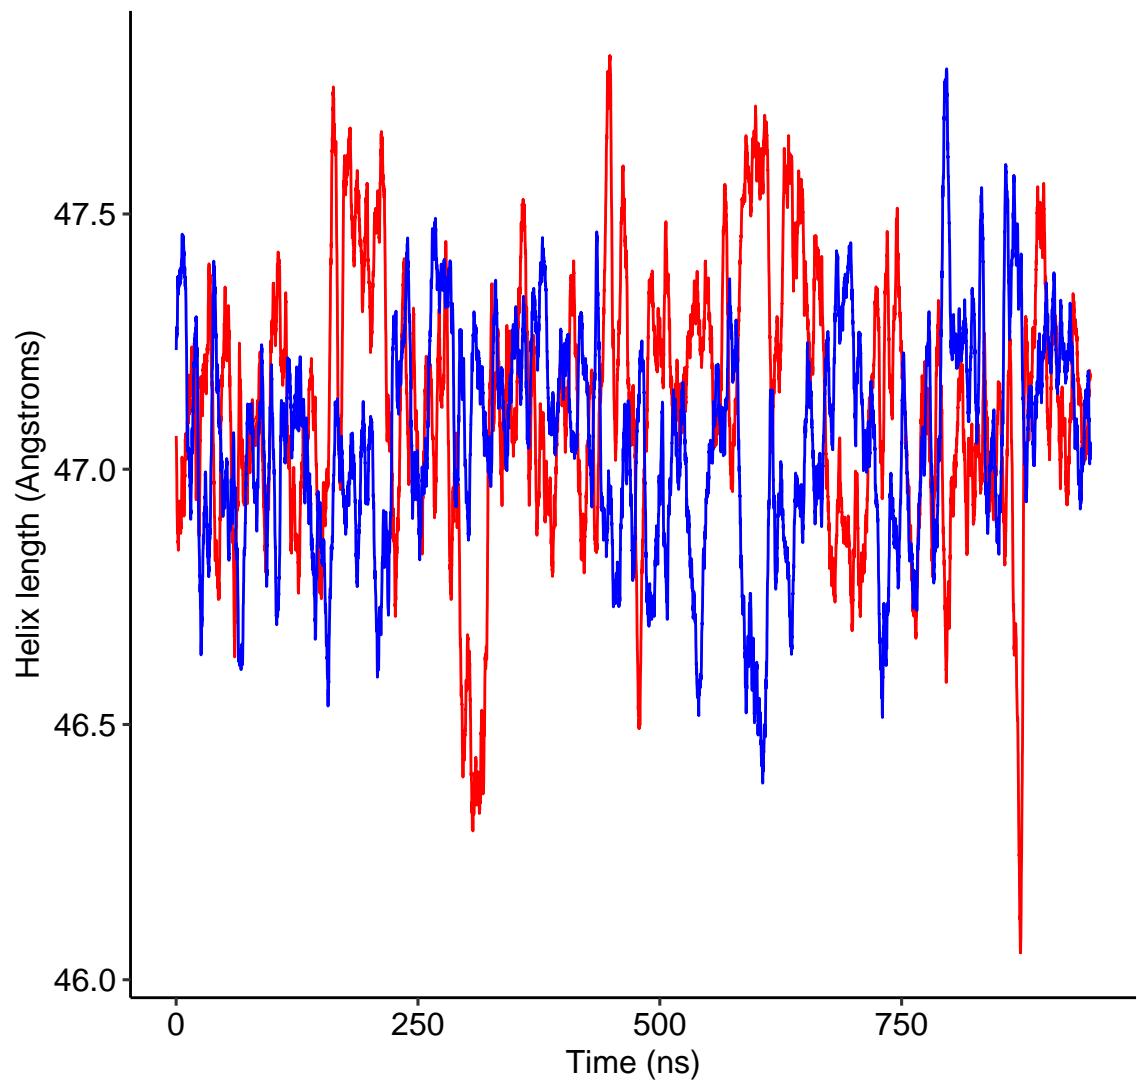

# Helix length trace for MITF, no compound, with DNA

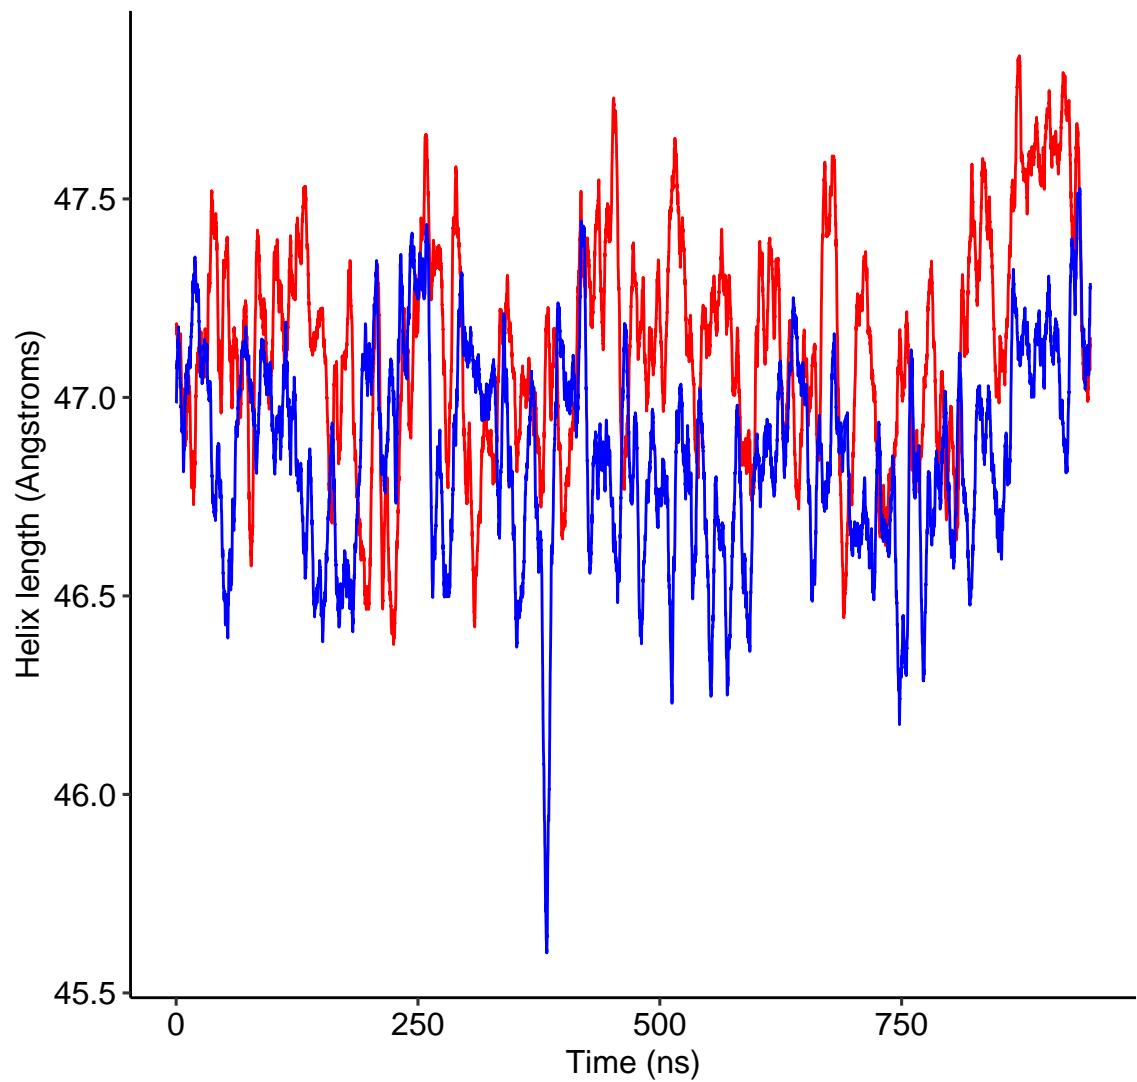

# Helix length trace for MITF, no compound, with DNA

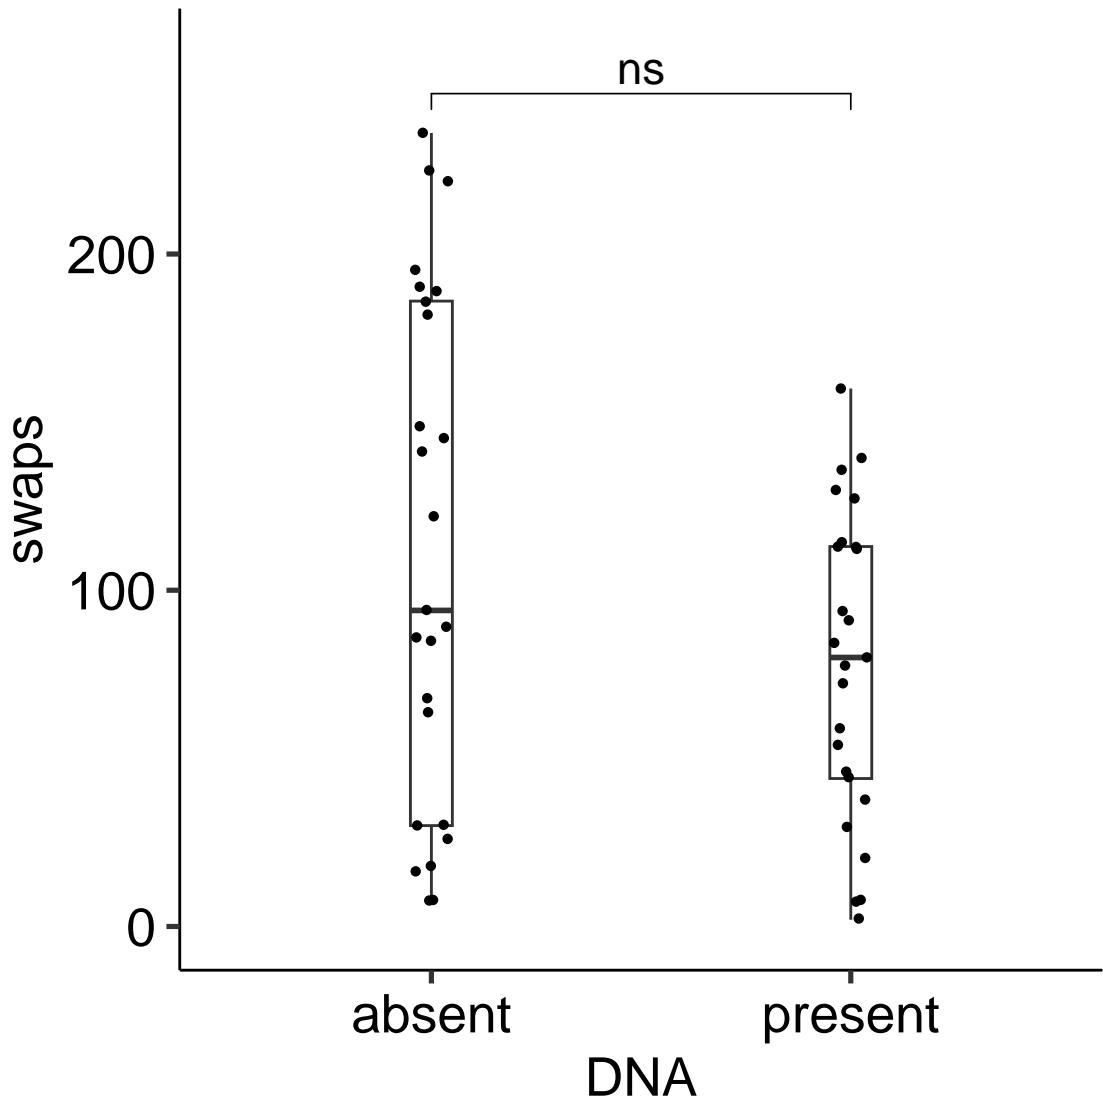

# Helix length trace for MITF, no compound, with DNA

# Helix length trace for MITF, no compound, with DNA

orientation    none    orient1    orient2
